Aiden Steele had been a womanizer. Never married, he'd lived a bachelor life. A wild bachelor life. Sure, I wasn't a monk, but at least I used a fucking condom, every damned time, instead of getting a string of women pregnant all around the country. He'd fucked 'em and left 'em. Every single one.

schoolteacher discovers she's the heir--along with half-sisters she didn't know existed--to the Steele fortune, including a real-life cattle ranch. Instead of spending her summer break at home, she's in Barlow, Montana. And the West is as wild as she imagined, for two hot cowboys have decided she's theirs. And Kady? She's ready to dig in her spurs and hang on tight. -- Wrangled: Pushed by her driven mother to become the best in her field, Penny believes Fate has stepped in when she receives word she isn't just an heiress to Steele Ranch, but had a father she never knew. She takes her chance to break free from the family she never truly felt a part of and heads to Barlow, Montana. Two cowboys have set their sights on the smart, beautiful blonde and they have no intention of letting

her go. Jamison and Boone will give her whatever she wants, especially since she's wrangled their hearts. -- Tangled: Cricket is used to relying on no one but herself. Working two jobs to get through nursing school, she has no time for anything but studying and paying the bills. When three hot cowboys give her a night to remember, she believes it's just that. One night. For Sutton, Archer and Lee, Cricket's the one who got away. Hell, she's The One. Period. When fate puts her back in their arms, they'll stop at nothing to keep her. -- Hitched: One unexpected encounter brings Sarah Gandry face to face with the two men she loves. Yes, two. Wilder and King have been the basis for every one of her fantasies for as long as she can remember. But they'd been just that...fantasies. Until now. Now, the three of them get to

make things right. To finally be together. But nothing's ever simple and the secrets she's held could tear them apart. -- Lassoed: Sam and Ashe didn't believe in love at first sight. They didn't understand how the men who'd been spurred, wrangled, tangled and even hitched to the other Steele heiresses fell so hard, so fast. Until now. One look at Natalie and Sam and Ashe are ruined for all other women. But she's not easy to tame. They'll need to lasso more than just her heart in order to make her theirs once and for all. But a final twist puts all five of the Steele sisters in danger. With the help of their men, can Natalie, Kady, Penny, Cricket and Sarah finally find peace and bring the one thing back to the ranch that's always been missing? Family.
