### Science Fiction

They've been watching us for hundreds of years. Now they need our help. Earth is not safe. Kaylan is the pilot for Earth's most advanced spaceship, but newly discovered images from a deep space probe changes everything. A hacker discovers a global conspiracy that promises to answer the ultimate question, but can he stay alive long enough to get the answers? Kept secret for 60 years, the discovery of an alien signal forces an unlikely team to investigate a mysterious structure discovered in the furthest reaches of the solar system. Join the crew of the Athena, Earth's most advanced spaceship on the ultimate journey beyond our wildest imagining.

As the "wickedly clever" (Publishers Weekly) series continues, reluctant, slacker vampire Fortitude Scott learns that nothing is more important than family—or more deadly.... After a lifetime of avoiding his family, Fort has discovered that working for them isn't half bad—even if his mother, Madeline, is a terrifying, murderous vampire. His newfound career has given him a purpose and a paycheck and has even helped him get his partner, foxy kitsune Suzume, to agree to be his girlfriend. All in all, things are looking up. Only, just as Fort is getting comfortable managing a supernatural empire that stretches from New Jersey to Ontario, Madeline's health starts failing, throwing Fort into the middle of an uncomfortable and dangerous battle for succession. His older sister, Prudence, is determined to take over the territory. But Fort isn't the only one wary of her sociopathic tendencies, and allies, old and new, are turning to him to keep Prudence from gaining power. Now, as Fort fights against his impending transition into vampire adulthood, he must also battle to keep Prudence from destroying their mother's kingdom—before she takes him down with it....

The Endless? They are beings immune to age and imbued with godlike abilities. Their struggle for power has gone mostly unnoticed since the Immortal War, 3000 years ago, when the Dwarves divided the world at the Dwarf Gate and the mages of the nine powers dropped the peak of Cairn on the shrine of the Endless. To Raine and the small hunting village of Woodbridge, these events are legends. Myths. Tales told to children. But when a strange traveler comes to Raine's village just as he's preparing for servitude, all that changes. From that moment on, Raine's life will never be the same.

### Space Opera Adventure Story

NEW YORK TIMES BESTSELLER • Pierce Brown's relentlessly entertaining debut channels the excitement of *The Hunger Games* by Suzanne Collins and *Ender's Game* by Orson Scott Card. "Red Rising ascends above a crowded dystopian field." USA Today ONE OF THE BEST BOOKS OF THE YEAR • Entertainment Weekly, BuzzFeed, Shelf Awareness "I live for the dream that my children will be born free," she says. "That they will be what they like. That they will own the land their father gave them." "I live for you," I say sadly. Eo kisses my cheek. "Then you must live for more." Darrow is a Red, a member of the lowest caste in the color-coded society of the future. Like his fellow Reds, he works all day, believing that he and his people are making the surface of Mars livable for future generations. Yet he toils willingly, trusting that his blood and sweat will one day result in a better world for his children. But Darrow and his kind have been betrayed. Soon he discovers that humanity reached the surface generations ago. Vast cities and lush wilds spread across the planet. Darrow—and Reds like him—are nothing more than slaves to a decadent ruling class. Inspired by a longing for justice, and driven by the memory of lost love, Darrow sacrifices everything to infiltrate the legendary Institute, a proving ground for the dominant Gold caste, where the next generation of humanity's overlords struggle for power. He will be forced to compete for his life and the very future of civilization against the best and most brutal of Society's ruling class. There, he will stop at nothing to bring down his enemies . . . even if it means he has to become one of them to do so. Praise for *Red Rising* "[A] spectacular adventure . . . one heart-pounding ride . . . Pierce Brown's dizzyingly good debut novel evokes *The Hunger Games*, *Lord of the Flies*, and *Ender's Game*. . . . [Red Rising] has everything it needs to become meteoric." Entertainment Weekly "Ender, Katniss, and now Darrow." Scott Sigler "Red Rising is a sophisticated vision. . . . Brown will find a devoted

FROM MILLION-COPY BESTSELLER JASPER T. SCOTT HUMAN LIFE HAS JUST BECOME THE RAREST RESOURCE OF THEM ALL Clayton Cross has been reunited with his family, and he's joined forces with the remnants of Phoenix, a human resistance group from the Wastes outside of New Houston. But following a traitorous double-cross by their Chrona ally, Specter, most of the world's remaining population has turned into the failed human-alien hybrids known as Dregs. The world is no longer divided into safe, civilized cities run by the Kyra, and even they have abandoned Earth, declaring it a quarantine zone to contain a deadly new version of their virus, engineered by the Chrona. **EARTH IS OVERRUN WITH ALIEN PREDATORS** Few human survivors remain, and now monstrous hordes of Dregs stalk the cities and Wastes alike, making life on Earth more treacherous than ever. **THE SURVIVORS ARE LEFT TO FIGHT OVER DWINDLING RESOURCES** People must find refuge before they are hunted to death, but they are competing with rival groups for vital resources and shelter-and some of them are better equipped than others. Clayton and the rest of Phoenix are faced with hard choices in this Fractured Earth as new and old enemies pursue them. When the choice is kill or be killed, death is the only way out. Fractured Earth is a post-apocalyptic story about survival, family, and the resilience of the human spirit. If you like gritty post-apocalyptic stories that give you chills yet still end on a positive note, then this book is for you.
