Space: The Final Frontier. Since the original series began in 1966, Star Trek has captured the imaginations of Americans and stimulated our curiosity about worlds and galaxies beyond our own. The show expertly took on many hot button issues of its day and addressed them with science fiction metaphors. This approach hooked fans in with its utopian vision of united humanity exploring the stars. Today, new Trekkies are being initiated into the Star Trek fandom with the release of new movies. You may think you are already the ultimate Star Trek fan, but have you ever wondered how the Vulcan greeting came to be? Or who did (and didn't) get along behind the scenes of the USS Enterprise? Enter The Ultimate Guide to Star Trek, your personal guide to the shows, cast, crew and worlds that they explored. The Ultimate Guide to Star Trek chronologically explores the productions and fandom of Star Trek. We begin with the three-year run of the original series with stars William Shatner as Captain Kirk and Leonard Nimoy as Spock. Next we lead into the six major motion pictures of the 20th century and second generation of television series. Finally, we survey the current Star Trek major motion picture franchise with stars like Chris Pine and director J.J. Abrams. This 50th anniversary collector's edition includes new photos from the upcoming Star Trek Beyond movie and opens with an introduction by the film's cowriter and Scotty 2.0, Simon Pegg.

Showcasing the unique costumes featured in the Star Trek franchise, from Mr Spock's Starfleet uniform to Uhura's mirror universe ensemble. The book features a wardrobe gallery that explores beautiful and innovative fashions from the various film and television versions of Star Trek, including different iterations of the Starfleet uniform, exquisitely designed alien garb, and much, accompanied by exclusive interviews with costume designers and experts.

The first and only guide to the beloved and star-studded Star Trek: The Animated Series, the in-canon (mostly) continuation of the iconic Star Trek: Original Series. Star Trek: The Animated Series (TAS) was a critical success, airing 22 episodes over two seasons and earning the franchise its first Emmy Award in 1975. The show featured the voices of almost the entire original cast, including William Shatner and Leonard Nimoy, along with the original series writers Dorothy Fontana ("Journey to Babel"), David Gerrold ("The Trouble with Tribbles"), acclaimed science-fiction author Larry Niven, and many more. Star Trek: The Official Guide to The Animated Series reveals the efforts it took to translate Star Trek: The Original Series into animated form, with a Databank illustrating how the animated series ties into other Star Trek shows. This book provides fans with behind-the-scenes production documents, never-before-seen art, and all-new interviews with the people who produced the Enterprise's new animated adventures.
