After nearly a decade of brutal warfare, three mighty factions—the enigmatic protoss, the savage zerg, and the terrans, humanity’s descendants in the sector—have entered a cease-fire, but the peace is tenuous at best. When the sudden restoration of an incinerated planet is brought to light, tensions erupt. Neutrality swings back to hostility, and old enemies are accused of developing biological weapons to reignite the bitter conflict. One marine squad, led by young upstart Jim Raynor and giant Tychus Findlay, are prepared to battle a corrupt government as it works for interplanetary domination in this action-packed thriller set in the StarCraft universe. For the poor, hardworking citizens of the Confederacy's fringe worlds, the Guild Wars have exacted a huge toll. Swayed by the promise of financial rewards, a new batch of recruits joins the fight alongside a slew of mysteriously docile criminals—and a few dubious military leaders. Eighteen-year-old Jim Raynor, full of testosterone and eager to make things right at home, ships off to boot camp, but he soon discovers that the official mission is not what he's really fighting for. For the first time ever, StarCraft enthusiasts will learn the origins of the enduring friendship between Jim Raynor and the streetwise soldier Tychus Findlay. "The death that changed Batman forever is captured in this chilling hardcover edition that hasn't been released in a decade! In 1988 Batman readers were allowed to vote on the outcome of the story... and they decided that Robin should die! Jim Starlin's devastating graphic novel classic left shock waves throughout the comic book industry, many of which are still felt today! As the second person to assume the role of Batman's sidekick, Jason Todd had a completely different personality than the original Robin. Rash and prone to ignore Batman's instructions, Jason was always quick to act without regard for consequences. In this fatal instance, Robin ignores his mentor's warnings when he attempts to take on The Joker by himself, and pays the ultimate price. Driven by anger, with Superman by his side, Batman seeks his vengeance as he looks to end The Joker's threat forever. This tale of loss, guilt and brutality is considered one of the most defining pieces in the Dark Knight's mythology."--
