Each of the 50 cards in this conversation deck is printed with two reading-themed questions (100 questions total). Some invoke books that are tied to memories (name your favorite childhood picture book); others prompt you to choose ideal reading material for a hypothetical situation (if you were stranded on a desert island, what book would you want with you?). Some of them aim to get people comparing their favorite (and not-so-favorite) characters or authors, and others engage in popular debates amongst readers (name a movie adaptation you liked and defend your choice). Created to give readers of all persuasions an excuse to talk about books, ideas, and life itself, this deck is a great addition to any booklover's shelf.

Though daily Mass is held most frequently, resources for daily homilies can be in short supply. In this book, Bishop Sklba offers a rich collection of ideas -- fire starters -- for preparing brief, spiritually nourishing homilies for daily Eucharist. Like building a campfire, where one ignites the logs with more easily flammable paper, these fire starters" are intended to provide the spark for weekday homilies. God's Spirit provides the flame. Each day, the biblical citations and summary phrases for the reading and the gospel plus the refrain from the psalm are provided. After each citation, Bishop Sklba offers a series of meaningful insights from his expertise as a Scripture scholar, prayerful study of Scripture, and many years of preaching and pastoral experience. These brief entries provide knowledge and inspiration that will stimulate personal prayer and spark homily possibilities for the preacher every day. "Fire Starters "will support anyone privileged to be called to leadership at weekday celebrations of the Eucharist to prepare for the important ministry of preaching. "Bishop Richard J. Sklba served as auxiliary bishop of Milwaukee for over thirty years. He is a well-known biblical scholar, completing the licentiate in Sacred Scripture from the Pontifical Biblical Institute in Rome. He is a member and former president of the Catholic Biblical Association of America. He has served on many committees of the U.S. Conference of Catholic Bishops, chairing its subcommittee on the Review of Scripture Translations from 1991 to 2001. In 1988, he received the Catholic Theological Society of America's John Courtney Murray Award for achievement in theology.""

The riveting conclusion to the international bestselling sci-fi thriller STARTERS! Would you rent out your body to the elderly so they could be young again? Someone is after Starters like Callie and Michael—teens with chips in their brains. They want to experiment on anyone left over from Prime Destinations—Starters who can be controlled and manipulated. With the body bank destroyed, Callie no longer has to rent herself out to creepy Enders. But Enders can still get inside her mind and make her do things she doesn't want to do. Like hurt someone she loves. Having the chip removed could save her life—but it could also silence the voice in her head that might belong to her father. Callie has flashes of her ex-renter Helena's memories, too . . . and the Old Man is back, filling her with fear. Who is real and who is masquerading in a teen body? No one is ever who they appear to be, not even the Old Man. Determined to find out who he really is and grasping at the hope of a normal life for herself and her younger brother, Callie is ready to fight for the truth. Even if it kills her. Praise for ENDERS: “Adrenaline-fueled . . . Fans of Starters will gobble this up.”—Booklist “Delightfully disturbing.”—Kirkus Reviews "A thrilling post-apocalyptic story that will keep readers on the edge of their seats from start to finish." --Children's Literature

"Each of the cards has a tantalizing start to a story you'll want to finish ... encourages self-expression, creativity, and confidence" -- Volume 2.
