This excellent work by a respected humanistic astrologer explores elements, transits and cycles, planetary aspects, karmic relationships, the Ascendant, Midheaven, and more. Astrology, Karma, & Transformation helps open the mind to deeper meanings of the different “dimensions” of the natal chart, and offers plenty of valuable information for those who want to study Astrology a little more deeply.

cycles. Karma is seen as the universal law of cause and effect, in which it is supposed to exist some kind of morality. Karmic Astrology believes that the horoscope can help us recognise the effects of past actions in the present life and how our present karma may affect future lives.

The karmic ideal as understood through astrology, discussing karmic relationships by analyzing synastry and progressions, with a special chapter on Ascendant and Midheaven axes. Not just a cookbook of chart interpretation, Arroyo challenges readers to see the birthchart as a tool to guide their lives.

Read Book Stephen Arroyo Astrology Karma And Transformation

A modern classic and international best-seller that revolutionized modern understanding of astrology, this book is truly a pioneering work that established a new science of astrological psychology. It clearly presents a language of energy that enables astrology to be reliably used by those in the helping professions as well as by the general public. As Library Journal stated, "Transcending the boundaries of separate disciplines, this work represents a major distillation of astrological principles."

Using a new language of energy based on the ancient "four elements" and in harmony with that used by the more advanced healing arts, renowned author Stephen Arroyo here explores how astrology as a language of energy can be

Read Book Stephen Arroyo Astrology Karma And Transformation

astoundingly accurate and useful in illuminating individuals' energy exchange in all close relationships. The preface, author's note, introduction, and early chapters of Person-to-Person Astrology lay the groundwork for serious consideration of astrology as a significant discipline. The following chapters detail the influence of the four elements—Fire, Earth, Water, Air—on the 12 signs, with a particular emphasis on the rising sign (Ascendant). The author shows readers how to experiment by comparing birth charts, and explains, through detailed descriptions, people's psychological motivations and needs based on the positions of their Moon, Venus, and Mars. Appendices include astrological definitions, keywords, and sign tables that allow readers quick access to the basics. Written in the author's

Read Book Stephen Arroyo Astrology Karma And Transformation

trademark clear, accessible style, Person-to-Person Astrology presents a new approach to finding fulfillment in any kind of relationship.

Thousands of readers worldwide have found personal meaning in Arroyo's bestselling books. Here, he shows how to develop reliable, in-depth interpretations for any birth chart.

In this breakthrough book, Stephen Arroyo discusses the two subjects that people most often want to understand through astrology: Relationship Compatibility and the Cycles that Shape Our Lives. The spontaneous quality of this book

Read Book Stephen Arroyo Astrology Karma And Transformation

makes it especially informative and valuable, since it includes numerous insights and observations not found in more conventional presentations. As many reviewers have observed, the sections on precisely how to compare charts to analyze relationships and how to use the houses in such comparisons are completely unique and original contributions to the field of astrological psychology.

Our connections with other people are perhaps the most basic fact of life, and yet they can be very complicated. The astrology of relationships, including such links as love and marriage, friendship, family ties and business associations, is the subject of this most thorough and detailed guide. It covers attraction, durability and mental agreement as well as the

Read Book Stephen Arroyo Astrology Karma And Transformation

position of Saturn. From interchart aspects to cross-chart house connections, all the major tricks of the synastry trade are explained in this book. Lois Haines Sargent's well written, well read volume has been a best seller ever since its first printing in 1958.

This book is the very essence of Jupiter. From its apt title, to its generous use of many famous chart examples, to Arroyo's trademark insight and wisdom on every page, "Exploring Jupiter" is positively a winner! The presentation of the astrology is clear, practical and intelligent, making it a must for both newer students and more experienced practising astrologers. Unlike the majority of modern astrologers, Arroyo refers to Jupiter's ancient rulership of Pisces as being

Read Book Stephen Arroyo Astrology Karma And Transformation

significant, and the book is written with this in mind. Otherwise much of the book is built on the usual "cookbook" approach: Jupiter through the signs, Jupiter through the houses (arranged by element), Jupiter aspects in the birth chart and so on. As always with Stephen Arroyo, it is the clarity and profound depth of these guidelines for interpretation that is so striking. The chapter on transits involving Jupiter is particularly good, building on ideas he has expressed in earlier writings.

New edition of the classic. Isabel Hickey's classic, comprehensive text of spiritual astrology is now in a new

Read Book Stephen Arroyo Astrology Karma And Transformation

edition. This handy reference book provides a strong foundation for the beginner, as well as new insights and self-knowledge for more advanced astrology students. Isabel Hickey's emphasis on the deeper, more metaphysical aspects of astrology's mysteries has resulted in continuous word-of-mouth recommendation by enthused readers. • with a Foreword by internationally renowned author of eight popular books on modern astrology, Stephen Arroyo
