I co-teach a college course and used this textbook this semester. It is
the best edition so far. I have been using the Hitt Strategic
Management text for a few editions now, and thought this one
really helped to explain the material the clearest for tech students.

sustained competitive advantage. The text integrates the resource-based view of the firm with the more traditional model.

This leading strategy text presents the complexities of strategic management through up-to-date scholarship and hands-on applications. Highly respected authors Charles Hill and Gareth Jones integrate cutting-edge research on topics including corporate performance, governance, strategic leadership, technology, and business ethics through both theory and cases. Based on real-world practices and current thinking in the field, the Ninth Edition of Strategic Management features an increased emphasis on the changing global economy and its role in strategic management. The high-quality case study program contains 30 cases covering small, medium, and large companies of varying backgrounds. All cases are

Thorough yet concise, ESSENTIALS OF STRATEGIC MANAGEMENT, Third Edition, is a brief version of the authors' market-leading text STRATEGIC MANAGEMENT: AN INTEGRATED APPROACH. Following the same framework as the larger book, ESSENTIALS helps students identify and focus on core concepts in the field in a more succinct, streamlined format. Based on real-world practices and current thinking, the text's presentation of strategic management features an increased emphasis on the business model concept as a way of framing the issues of competitive advantage. Cutting-edge research, new strategic management theory, and a hands-on approach allow students to explore major topics in management, including
