In Strategic Management: Theory and Practice, Fourth Edition, John A. Parnell leads readers through detailed, accessible coverage of the strategic management field. Concise and easy to understand chapters address concepts sequentially, from external and internal analysis to strategy formulation, strategy execution, and strategic control. Rather than relegating case analysis to a chapter at the end of the book, Parnell aligns each chapter's key concepts with 25 case analysis steps. Current examples and high interest real-time cases, largely drawn from The Wall Street Journal and Financial Times, illustrate the key role of strategic management in the United States and around the world.

The examining team reviewed P5 Study Text covers all the relevant ACCA P5 syllabus topics. It explores the principles of performance management and how they can be applied in a range of different organisations. Detailed case studies about how performance management issues are addressed in the real world will help build your understanding and reinforce learning.
