A Christmas Memory Summary " A Christmas Memory" is a short story by Truman Capote in which the narrator, Buddy, looks back on a particularly beautiful Christmas he spent with his much older ...

A sweeping portrait of the turmoil of the twentieth century and the legacy of immigration, as seen through the German-American family of the celebrated book publisher Kurt Wolff A literary gem researched over a year the author spent living in Berlin, Endpapers excavates the extraordinary histories of the author's grandfather and father: the renowned publisher Kurt Wolff, dubbed "perhaps the twentieth century's most discriminating publisher" by the New York Times Book Review, and his son Niko, who fought in the Wehrmacht during World War II before coming to America. Kurt Wolff was born in Bonn into a highly cultured German-Jewish family, whose ancestors included converts to Christianity, among them Baron Moritz von Haber, whose desire to demand satisfaction in a duel sparked off bloody antisemitic riots. Always bookish, Kurt became a publisher at twenty-three, setting up his own firm and publishing Franz Kafka, Joseph Roth, Karl Kraus, and many other authors whose books would soon be burned by the Nazis. Fleeing Germany in 1933, a day after the Reichstag fire, Kurt and his second wife, Helen, sought refuge in France, Italy, and ultimately New York, where in a small Greenwich Village apartment they founded Pantheon Books. Pantheon would soon take its own place in literary history with the publication of Nobel laureate Boris Pasternak's novel Doctor Zhivago, and as the conduit that brought major European works to the States. But Kurt's taciturn son Niko, offspring of his first marriage to Elisabeth Merck, was left behind in Germany, where despite his Jewish heritage he served the Nazis on two fronts. As Alexander Wolff visits dusty archives and meets distant relatives, he discovers secrets that never made it to the land of fresh starts, including the connection between Hitler and the family pharmaceutical firm E. Merck, and the story of a half-brother Niko never knew. With surprising revelations from never-before-published family letters, diaries, and photographs, Endpapers is a moving and intimate family story, weaving a literary tapestry of the perils, triumphs, and secrets of history and exile.

The inspiration for The Durrells in Corfu, a Masterpiece production on public television: A naturalist's account of his childhood on the exotic Greek island. When the Durrells could no longer endure the gray English climate, they did what any sensible family would do: sold their house and relocated to the sun-soaked island of Corfu. As they settled into their new home, hilarious mishaps ensued as a ten-year-old Gerald Durrell pursued his interest in natural history and explored the island's fauna. Soon, toads and tortoises, bats and butterflies—as well as scorpions, geckos, ladybugs, praying mantises, octopuses, pigeons, and gulls—became a common sight in the Durrell villa. Uproarious tales of the island's animals and Durrell's fond reflections on his family bring this delightful memoir to life. Capturing the joyous chaos of growing up in an unconventional household, My Family and Other Animals will transport you to a place you won't want to leave. This ebook features an illustrated biography of Gerald Durrell including rare photos from the author's estate.

For Griffin, all paths, all memories, converge at Cape Cod. The Cape is where he took his childhood summer vacations, where he and his wife, Joy, honeymooned, where they decided he'd leave his LA screenwriting job to become a college professor, and where they celebrated the marriage of their daughter Laura's best friend. But when their beloved Laura's wedding takes place a year later, Griffin is caught between chauffeuring his mother's and father's ashes in two urns and contending with Joy and her large, unruly family. Both he and she have also brought dates along. How in the world could this have happened? By turns hilarious, rueful, and uplifting, That Old Cape Magic is a profoundly involving novel about marriage, family, and all the other ties that bind.

Read the story that has inspired millions The desert, I remember. The shrieking hyenas, I remember...I remember playing soccer with rocks, and a strange man telling me and my brother Tewelde that we had to go on a trip and Tewelde refusing to go. The man took out a piece of gum and Tewelde happily traded it for his homeland... So begins the remarkable true story of a young boy's journey from civil war in east Africa to a refugee camp in Sudan, to a childhood on welfare in an affluent American suburb, and eventually to a full-tuition scholarship at Harvard University. Following his father's advice to "treat all people—even the most unsightly beetles—as though they were angels sent from heaven," Mawi overcomes the challenges of language barriers, cultural differences, racial prejudice, and financial disadvantage to build a fulfilling, successful life for himself in his new home. Of Beetles and Angels is at once a harrowing survival story and a compelling examination of the refugee experience. With hundreds of thousands of copies sold since its initial publication, the unforgettable memoir continues to touch and inspire readers. This special fifteenth anniversary edition features bonus materials, including a new introduction and afterword by the author. *please note the updated anniversary edition will be released in June. Orders placed before that edition is available will receive the current paperback*

Presents the text of Alice Walker's story "Everyday Use"; contains background essays that provide insight into the story; and features a selection of critical response. Includes a chronology and an interview with the author.

From the renowned author of Sweetness in the Belly, The Beauty of Humanity Movement and This Is Happy, comes a bold, urgent and richly imagined novel about what it means to be a family in our modern world. Lila is on a long, painful journey toward motherhood. Tess and Emily are reeling after their ugly separation and fighting over ownership of the embryos that were supposed to grow their family together. And thousands of miles away, the unknown man who served as anonymous donor to them all is being held in captivity in Somalia. While his life remains in precarious balance, his genetic material is a source of both creation and conflict. What does it mean to be a family in our rapidly shifting world? What are our responsibilities to each other with increasing options for how to create a family? As these characters grapple with life-altering changes, they will find themselves interconnected in ways they cannot have imagined, and forced to redefine what family means to them.

Set in Bombay in the mid-1990s, Family Matters tells a story of familial love and obligation, of personal and political corruption, of the demands of tradition and the possibilities for compassion. Nariman Vakeel, the patriarch of a small discordant family, is beset by Parkinson's and haunted by memories of his past. He lives with his two middle-aged stepchildren, Coomy, bitter and domineering, and her brother, Jal, mild-mannered and acquiescent. But the burden of the illness worsens the already strained family relationships. Soon, their sweet-tempered half-sister, Roxana, is forced to assume sole responsibility for her bedridden father. And Roxana's husband, besieged by financial worries, devises a scheme of deception involving his eccentric employer at a sporting goods store, setting in motion a series of events that leads to the narrative's moving outcome. Family Matters has all the richness, the gentle humour, and the narrative sweep that have earned Mistry the highest of accolades around the world.

#1 NEW YORK TIMES, WALL STREET JOURNAL, AND BOSTON GLOBE BESTSELLER • One of the most acclaimed books of our time: an unforgettable memoir about a young woman who, kept out of school, leaves her survivalist family and goes on to earn a PhD from Cambridge University “Extraordinary . . . an act of courage and self-invention.”—The New York Times NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW • ONE OF PRESIDENT BARACK OBAMA'S FAVORITE BOOKS OF THE YEAR • BILL GATES'S HOLIDAY READING LIST • FINALIST: National Book Critics Circle's Award In Autobiography and John Leonard Prize For Best First Book • PEN/Jean Stein Book Award • Los Angeles Times Book Prize Born to survivalists in the mountains of Idaho, Tara Westover was seventeen the first time she set foot in a classroom. Her family was so isolated from mainstream society that there was no one to ensure the children received an education, and no one to intervene when one of Tara's older brothers became violent. When another brother got himself into college, Tara decided to try a new kind of life. Her quest for knowledge transformed her, taking her over oceans and across continents, to Harvard and to Cambridge University. Only then would she wonder if she'd traveled too far, if there was still a way home. “Beautiful and propulsive . . . Despite the singularity of [Westover's] childhood, the questions her book poses are universal: How much of ourselves should we give to those we love? And how much must we betray them to grow up?”—Vogue NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • O: The Oprah Magazine • Time • NPR • Good Morning America • San Francisco Chronicle • The Guardian • The Economist • Financial Times • Newsday • New York Post • theSkimm • Refinery29 • Bloomberg • Self • Real Simple • Town & Country • Bustle • Paste • Publishers Weekly • Library Journal • LibraryReads • Book Riot • Pamela Paul, RQED • New York Public Library

From the winner of the 2013 Nobel Prize in Literature—and one of our most beloved writers—a new selection of her peerless short fiction, gathered from the collections of the last two decades, a companion volume to Selected Stories (1968–1994). Family Furnishings brings us twenty-four of Alice Munro's most accomplished, most powerfully affecting stories, many of them set in the territory she has so brilliantly made her own: the small towns and flatlands of southwestern Ontario. Subtly honed with her hallmark precision, grace, and compassion, these stories illuminate the quotidian yet extraordinary particularity in the lives of men and women, parents and children, friends and lovers as they discover sex, fall in love, part, quarrel, suffer defeat, set off into the unknown, or find a way to be in the world. Peopled with characters as real to us as we are to

ourselves, Munro's stories encompass the fullness of human experience—from the wild exhilaration of first love, in "Passion," to the lengths a once-straying husband will go to make his wife happy as her memory fades, in "The Bear Came Over the Mountain." Other stories suggest the punishing consequences of leaving home ("Runaway") or leaving a marriage ("The Children Stay"). The part romantic love plays in one's existence is explored in "Too Much Happiness," based on the life of the noted nineteenth-century mathematician, Sophia Kovalevsky. And in stories that Munro has described as "closer to the truth than usual"—"Dear Life," "Working for a Living," and "Home" among them—we glimpse the author's own life. As the Nobel Prize presentation speech says in part: "Reading one of Alice Munro's texts is like watching a cat walk across a laid dinner table. A brief short story can often cover decades, summarizing a life, as she moves deftly between different periods. No wonder Alice Munro is often able to say more in thirty pages than an ordinary novelist is capable of in three hundred. She is a virtuoso of the elliptical and the master of the contemporary short story."
