Sunshine - definition of sunshine by The Free Dictionary

Sunshine 「太陽サンシャインSanshain」 is a Grace possessed by the Four Archangels Mael, and formerly the Lion's Sin of Pride Escanor. Originally, the power was created by the Supreme Deity and given to Mael of the Four Archangels. But after Gowther used a forbidden spell to turn Mael into Estarossa, the grace was abandoned for 3,000 years until it found its new host - Escanor. During ...

Sunshine is a supportive community developing capabilities in the people with disabilities since 1950. Sunshine offers opportunity to live, work, and play.

All hope for stopping the vampiric elite from controlling earth depends on human SOFs (Special Other Forces) and the success of their attempt to recruit Sunshine, the daughter of legendary sorcerer Onyx Blaise.

A small-town baker uses her magic to confront a post-vampire apocalypse world in this award-winning fantasy Neil Gaiman called “ pretty much perfect. ” Although it had been mostly deserted since the Voodoo Wars, there hadn ' t been any trouble out at the lake for years. Rae Seddon, nicknamed Sunshine, head baker at her family ' s busy and popular café in downtown New Arcadia, needed a place to get away from all the noise and confusion—of the clientele and her family. Just for a few hours. Just to be able to hear herself think. She knew about the Others, of course. Everyone did. And several of her family ' s best regular customers were from SOF—Special Other Forces—which had been created to deal with the

threat and the danger of the Others. She drove out to her family ' s old lakeside cabin and sat on the porch, swinging her feet and enjoying the silence and the silver moonlight on the water. She never heard them coming. Of course, you don ' t when they ' re vampires. Fans of Buffy the Vampire Slayer and Sookie Stackhouse will cheer for this tough and quirky heroine. In Sunshine, which won the Mythopoeic Fantasy Award for Adult Literature, McKinley has a vampire novel that is “ a smart, funny tale of suspense and romance ” (San Francisco Chronicle).

World-famous singer/songwriter Ryan Adams presents his second book of passionate, transcendent verse.

A top entrepreneur helps readers breathe life into a stagnant business by overhauling their approach to branding and customer service. Packed with 75 simple, actionable strategies straight from the trenches of the service industry, this book explores the peaks and valleys of running your own business through the eyes of a proven expert. Growing up in a single-parent family in the Midwest, author Tony Hartl had the odds stacked against him. From a young age, Hartl took little more than an entrepreneurial spirit and a lot of hard work and turned it into one profitable business after another. By applying the tips detailed in this book, he overcame the obstacles of poverty, became a homeowner while still in his teens, and put

## Download File PDF Sunshine

himself through college. His greatest success, founding and running the Planet Tan Corporation, saw his net worth jump from \$10,000 to millions of dollars in a thirteen-year period. Hartl's example is a blueprint for creating, maintaining, and growing a meaningful business with a fulfilling company culture.

"This supportive guide to navigating pregnancy and infant loss will arm you with life-changing tools that will help you feel part of a dynamic community."--Back of book.

For Jackie Pierce, everything changed the summer of 1979, when she spent three months with her bohemian relatives at their sprawling California estate. As musicians, artists, and free spirits gathered there for the season, she and her cousin Willa fell into a fast friendship along the rocky beach and in the wild woods...until their summer abruptly ended in tragedy. Twenty years later, Jackie inherits the iconic estate and returns for a short visit to ready it for sale. But her plans go awry when a charming music producer shows up and convinces her to stay for the summer so his ensemble can record a '70s anniversary album there. While at first Jackie keeps to herself, as her guests bring the wild property to life again, she finds herself increasingly trading her task for campfires, late-night swims, and even a secret love. But when a heart-wrenching discovery sparks new questions about Willa and that summer long ago, Jackie must race to uncover the truth before it slips away forever.

Few stories in the annals of American counterculture are as intriguing or dramatic as that of the Brotherhood of Eternal Love. Dubbed the "Hippie Mafia," the Brotherhood began in the

## Download File PDF Sunshine

mid-1960s as a small band of peace-loving, adventure-seeking surfers in Southern California. After discovering LSD, they took to Timothy Leary's mantra of "Turn on, tune in, and drop out" and resolved to make that vision a reality by becoming the biggest group of acid dealers and hashish smugglers in the nation, and literally providing the fuel for the psychedelic revolution in the process. Just days after California became the first state in the union to ban LSD, the Brotherhood formed a legally registered church in its headquarters at Mystic Arts World on Pacific Coast Highway in Laguna Beach, where they sold blankets and other countercultural paraphernalia retrieved through surfing safaris and road trips to exotic locales in Asia and South America. Before long, they also began to sell Afghan hashish, Hawaiian pot (the storied "Maui Wowie"), and eventually Colombian cocaine, much of which the Brotherhood smuggled to California in secret compartments inside surfboards and Volkswagen minibuses driven across the border. They also befriended Leary himself, enlisting him in the goal of buying a tropical island where they could install the former Harvard philosophy professor and acid prophet as the high priest of an experimental utopia. The Brotherhood's most legendary contribution to the drug scene was homemade: Orange Sunshine, the group's nickname for their trademark orange-colored acid tablet that happened to produce an especially powerful trip. Brotherhood foot soldiers passed out handfuls of the tablets to communes, at Grateful Dead concerts, and at love-ins up and down the coast of California and beyond. The Hell's Angels, Charles Manson and his followers, and the unruly crowd at the infamous Altamont music festival all tripped out on this acid. Jimi Hendrix even appeared in a film starring Brotherhood members and performed a private show for the fugitive band of outlaws on the slope of a Hawaiian volcano. Journalist Nicholas Schou takes

## Download File PDF Sunshine

us deep inside the Brotherhood, combining exclusive interviews with both the group's surviving members as well as the cops who chased them. A wide-sweeping narrative of sex, drugs, and rock 'n' roll (and more drugs) that runs from Laguna Beach to Maui to Afghanistan, Orange Sunshine explores how America moved from the era of peace and free love into a darker time of hard drugs and paranoia.

"Known for her outstanding performances on The Good Wife and ER, Julianna Margulies now unleashes her sharp talent with a powerful debut memoir chronicling her life and her work, examining from within, her journey from chaos to calm. "When an actor is on a long running television show, especially when the writing is superb as was the case with The Good Wife, the character becomes a second skin; they grow as you grow, they change as you change. Being an actress gives me the luxury of discovering myself. All the feelings that came up from playing Alicia allowed me to look back at my life and tap into my own vulnerability. My personal fear of the unknown reared its ugly head as I studied this character, most likely stemming from the ever-present unpredictability of my childhood." - From the Introduction

An apple-cheeked bubbly child, Julianna Margulies was bestowed the nickname "Sunshine Girl" by her mother at an early age. Raised between two divorced parents, often on different continents, Julianna quickly learned how to be of value to her eccentric mother and her absent father. Raised in fairly unconventional ways in various homes in Paris, England, New York, and New Hampshire, Julianna's role among the turmoil and uncertainty that her parents generated, was to comfort those around her, find organization among the disorder, and eventually make her way in the world as a young adult and eventually an Award-winning

actress. Along the way, there were failed romances, difficult choices, and overwhelming rejections. But there was also the moment that fate, faith, and talent assembled in a perfect storm that lead to the roles of a lifetime, both professionally and personally. Sunshine Girl is an accomplished coming of age story that offers readers a rich sense of relatability as well as the intimate details of a life unimagined"--

A modern-day crime sends folk art expert Benni Harper on a nostalgic journey back to 1978 to look at her college days and her first husband, Jack, when she discovers that an event from her own past could hold the key to solving a mystery from the present. By the author of Steps to the Altar. Reprint.
