Anyone who owns a Suzuki 4x4, and wonders what it is REALLY capable of, needs this book. It illustrates in intimate detail, with the aid of 175 colour photographs and diagrams, what each model can do and how to modify it in stages to maximise its off-road potential. The book also covers practical factors, such as choice of tyres, gearing selection and modification for various purposes. In addition, it explores the history and evolution of the marque and sets out the skills required to carry out the various procedures. As ever, this is
