I purchased the Sylvania lc370ss9 at Target yesterday. Set up was easy. The picture quality is excellent. The sound quality is little tinny but can be smoothed with the bass/treble controls. I picked all the local hd channels with the internal tuner. It is much better reception than the set top box I was using on my 4 year old HD ready Samsung. It has plenty of inputs, PC, 2 HDMI, Digital Sound ...

All the fundamentals. No fluff. Learn more with less! A truly revolutionary American Government textbook, Christine Barbour's AmGov: Long Story Short, responds to the needs of today's students and instructors through brevity and accessibility. The succinct ten chapters are separated by tabs that make it easy to skim, flip, revisit, reorient, and return to content quickly. Reading aids like bullets, annotations and arrows walk students through important facts and break up the material in short, engaging bites of information that highlight not only what is important but why it's important. Though brief, this core book is still robust enough to provide everything that students need to be successful in their American Government course. Whether for the on-the-go student who doesn't have time to read and digest a lengthy chapter, or the instructor who wants a book that will stay out of their way and leave room for plenty of supplementary reading and activities, AmGov provides a perfectly simplified foundation for a successful American Government course.

The fun and easy way to repair anything and everything around the house For anyone who's ever been frustrated by repair shop rip-offs, this guide shows how to troubleshoot and fix a wide range of household appliances-lamps, vacuum cleaners, washers, dryers, dishwashers, garbage disposals, blenders, radios, televisions, and even computers. Packed with step-by-step illustrations and easy-to-follow instructions, it's a must-have money-saver for the half of all homeowners who undertake do-it-yourself projects.

Desktop Rugby brings the excitement of rugby right to your fingertips. Included is everything you need to play the game--a goal, ball, tee, flag, and mini referee figurine to call that foul. Kit also includes a 32-page book on the history and rules of the game.

Picture this: it's Saturday afternoon, and you're putting the finishing touches on tomorrow's sermon. You've been thinking, researching, and praying about this message all week, and thankfully, feel prepared. That is, except for one small detail—you aren't sure how to begin. For more than 30 years, Tony Evans has been connecting with audiences around the world. Now his tools are available for you. Don't leave your listeners to connect the dots. Let Tony Evans' Book of Illustrations help you illustrate your point in a way they can't forget.

chapter includes learning objectives, clear explanations and examples, and an end-of-chapter self-quiz. The drill-and-review software included with the book allows learners to test themselves on the contents of each chapter, providing a second reinforcement of the material. A final chapter teaches the basics of troubleshooting digital circuits. With the two other Crash Course books, Electronics Technology and Microprocessor Technology, this book forms a complete course in electronics and microcomputer technology appropriate for technical schools, industrial training, and hobbyists. Louis Frenzel is an experienced electronics engineer and educator, as well as the author of many magazine articles and texts. He is currently an instructor at Austin Community College in Austin, Texas. Drill-and-review software included Clear, easy format Self-paced introduction to digital electronics

The first six months of Bill Pearl's popular exercise program "20 Months to a Champion Physique." Each exercise includes the proper name, the targeted muscle group, the degree of difficulty, a complete description on how to perform the exercise, and a fully illustrated image demonstrating the exercise. A workout log is also included with each exercise for recording the date, reps, and weight.

Featuring art and writing from the students of the Parkland tragedy, this is a raw look at the events of February 14, and a poignant representation of grief, healing, and hope. The students of Marjory Stoneman Douglas High School share their emotional journeys that began on February 14, 2018, and continue today. This revealing and unfiltered look at teens living in the wake of tragedy is a poignant representation of grief, anger, determination, healing, and hope. The intimate collection includes poetry, eyewitness accounts, letters, speeches, journal entries, drawings, and photographs from the events of February 14 and its aftermath. Full of heartbreaking loss, a rally cry for change, and hope for a safe future, these artistic pieces will inspire readers to reflect on their own lives and the importance of valuing and protecting the ones you love.

As a deadly epidemic sweeps across the land, the emperor himself falls ill and Shadowlands forces, led by the demon armies, threaten the empire, the clans of Rokugan must band together to survive, touching off a Clan War that could threaten the fate of the entire world. Original.

The Science Focus Second Edition is the complete science package for the teaching of the New South Wales Stage 4 and 5 Science Syllabus. The Science Focus Second Edition package retains the identified strengths of the highly successful First Edition and includes a number of new and exciting features, improvements and components. The student book includes: Chapter opening pages which include the key prescribed focus area for the chapter and a clear distinction between essential and additional content; Updated and revised content, photos, illustrations and 'science clip' boxes in a format that is easy to read and follow; Unit questions under headings that are structured in a hierarchical progression using Bloom's Revised Taxonomy; Additional questions which include research, creative writing, investigations and internet activities; Practical activities at the end of each unit allowing teachers to choose when to do practical work.; Student CD which contains an electronic version of the student book.

Original annotated and commented edition of the masterpiece of the mysterious Satoshi Nakamoto, inventor of Bitcoin, the digital currency on everyone's lips. However, few noticed that the innovative power of Bitcoin is not strictly financial, but it fundamentally impacts the creation of

political consensus, by transforming it into a technological mechanism. Exactly for this reason, the present edition is enriched by a critical apparatus that should make possible, even for the less tech-savvy reader, to comprehend and reflect on such a key phenomenon of our times.
