dreadfuls. The penny dreadfuls often paid homage to—and even inspired—many of the more famous narratives of the horror genre. This book pairs three obscure yet influential penny dreadfuls with three of the most notorious literary giants of the nineteenth century: Dracula, Frankenstein, and Dorian Gray, all in one authentic collection of the best Victorian gothic horror ever written. Originally published at a time when dramatic scientific discoveries sparked a cultural fixation on the paranormal, these stories remain timeless in their uncanny ability to prey upon our primal fear of that which is strange, violent, and unknown. This book contains a total of six haunting tales: □ Dracula by Bram Stoker □ Dracula's Guest by Bram Stoker (Dracula's original first chapter, not published until after Stoker's death) □ Frankenstein by Mary Shelley □ Wagner the Wehr-Wolf by George W. M. Reynolds □ The Picture of Dorian Gray by Oscar Wilde □ Varney the Vampire by Thomas Preskett Prest Curl up with The Penny Dreadfuls on a dark, moonless night and rediscover these chilling classics. Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction—novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

'I don't know that either of ye could keep a wife!' Though neither said a word their looks and bearing expressed distinct dissent. Mrs. Trefusis went on:'But if ye'd put what ye both have together ye'd make a comfortable home for one of ye—and Sarah!' She eyed the men keenly, with her cunning eyes half shut, as she spoke; then satisfied from her scrutiny that the idea was accepted she went on quickly, as if to prevent argument:'The girl likes ye both, and mayhap it's hard for her to choose. Why don't ye toss up for her? First put your money together—ye've each got a bit put by, I know. Let the lucky man take the lot and trade with it a bit, and then come home and marry her. Neither of ye's afraid, I suppose! And neither of ye'll say that he won't do that much for the girl that ye both say ye love!' Abel broke the silence:

In these pages you will discover what it is to dread the moment you must go to bed, in terror of visitations from unwelcome guests. What would you do if your candle was blown out by a gust of wind and the door to your cupboard began to squeak? Pull the covers over your face or confront your fears? Eerily vivid and yet never devoid of the bea...
