Teach and learn Tamil letters by tracing. Includes phonetic instructions with pictures and simple English meanings. This workbook helps kindergartens and new learners practice Tamil Letters. The consonants & vowels are grouped for easy remembering. This is perfect for Indian children in the western countries.

This activity book is one of a series of activity books designed to teach the Tamil (Tamizh) language to children located in English speaking countries. The objective of this activity book is to improve the vocabulary of a student who has already learnt the Tamil script. The approach uses puzzles, mazes and exercises which require the student to recognize different words in the language. Sample puzzles included in this book include finding words in a maze, matching pictures to the corresponding words, arranging words in a staircase, and filling in circles containing words and pictures. These puzzles and activities increase the vocabulary of a student in a fun way.

Did you ever want to teach your kids the basics of Tamil ? Learning Tamil can be fun with this picture book. In this book you will find the following features: Tamil Alphabets. Tamil Words. English Translations.

This book teaches the Tamil alphabet to someone familiar with English using a variety of puzzles, exercises and games. The letters are introduced by a cute dog who makes it fun to learn Tamil. Activities include coloring pictures, finding letters in alphabet soup, finding paths in mazes, and finding matching letters. This is the one of a series of Tamil activity books that can be used to teach yourself Tamil and ideal for children fluent in English to learn Tamil.
