 The 6th edition FAQ for Tau clearly states that this bit of wargear no longer does anything. Commander Farsight is back! The second book in the Farsight Series sees the hero of the T'au face the forces of Chaos for the first time. High Commander Farsight, fresh from his victory against the Imperium over the Damocles Gulf, looks to his borders and finds his old enemies: the savage and warlike orks: assailing his worlds and threatening to ravage the heart of the T'iau Empire. Farsight's obsessive crusade will see him locked in an escalating conflict with the greenskins, and he will stop at nothing until their infestation is purged. In the background, foul forces are at work, however: forces that will do whatever they can to see the military genius of Farsight fall on the daemon-haunted world of Arthas Moloch. Can Farsight stand in the face of new truths, and will the T'iau Empire stand with him?

Four novellas that focus on the events of the second Damocles Gulf Crusade Two centuries ago, the Imperium of Man and the upstart Tau Empire fought to a standstill in the Damocles Gulf. Now, as the 41st millennium draws to a close, the tau have returned. As the world of Agrellan falls under attack, the White Scars and Raven Guard rush to its defence, but with the skilled Commander Shadowsun leading the alien forces, the Space Marines and their allies are hard pressed. Kor'sarro Khan, Huntmaster of the White Scars, swears that he will win the day in the most direct way possible - by taking Shadowsun's head.

Ruling over the alien warriors of the Tau empire are the enigmatic Ethereals. When a powerful Ethereal crashes behind Imperial battle lines, it falls to one young Fire Warrior to sacrifice his life for the greater good. Original.
