The Teammates is the profoundly moving story of four great baseball players who have made the passage from sports icons—when they were young and seemingly indestructible—to men dealing with the vulnerabilities of growing older. At the core of the book is the friendship of these four very different men—Boston Red Sox teammates Bobby Doerr, Dominic DiMaggio, Johnny Pesky, and Ted Williams—who remained close for more than sixty years.

More than 6 years after his death David Halberstam remains one of this country's most respected journalists and revered authorities on American life and history in the years since WWII. A Pulitzer Prize-winner for his ground-breaking reporting on the Vietnam War, Halberstam wrote more than 20 books, almost all of them bestsellers. His work has stood the test of time and has become the standard by which all journalists measure themselves. indestructible--to men dealing with the vulnerabilities of growing older. At the core of the book is the friendship of these four very different men--Boston Red Sox teammates Bobby Doerr, Dominic DiMaggio, Johnny Pesky, and Ted Williams--who remained close for more than sixty years. The book starts out in early October 2001, when Dominic DiMaggio and Johnny Pesky begin a 1,300-mile trip by car to visit their beloved friend Ted Williams, whom they know is dying. Bobby Doerr, the fourth member of this close group--"my guys," Williams used to call them--is unable to join them. This is a book--filled with historical details and first-hand accounts--about baseball and about something more: the richness of friendship.

Tiki Can't Believe It when the ball is knocked out of his hand in the Cave Spring Viking's last preseason game against their rival Knights. And when nobody wants to talk to him the next day at lunch, he feels even worse. So Ronde and Paco start "secret" practices with Tiki, and Coach shows him a special four point ball carry. And after plenty of practice, Tiki is transformed from a runner to a ball carrier, and he feels more confident than ever before. Now he's a winner—and so is his team!

NEW YORK TIMES BESTSELLER USA TODAY BESTSELLER Packed with "compelling inside stories" (Chicago Tribune), *Teammate* is the inspiring memoir from "Grandpa Rossy," the veteran catcher who became the heart and soul of the 2016 Chicago Cubs championship team. In 2016 the Cubs snapped a 108-year curse, winning the World Series in a history-making, seven-game series against the Cleveland Indians. Of the many storylines to Chicago's fairytale season, one stood out: the late-career renaissance of David Ross, the 39-year-old catcher who had played back-up for 13 of his 15 pro seasons. Beyond Ross's remarkably strong play, he became the ultimate positive force in the Cubs locker room, mentoring and motivating his fellow players, some of them nearly twenty years his junior. Thanks to Cubs Kris Bryant and Anthony Rizzo, "Grandpa Rossy" became a social media sensation. No one, however, could have predicted that Ross's home run in his final career at bat would help seal the Cubs championship. Now, in *Teammate*, Ross shares the inspiring story of his life in baseball, framed by the events of that unforgettable November night.

By turns inspiring, candid, and exhilarating, "Walk-On" traces Alan's journey from his early teens, where he dreamed of landing a spot at Wake Forest, to his final semester on that historic North Carolina campus. Along the way, he brings to life the riveting experience of playing for an ACC championship team in one of the country's most celebrated conferences, and under renowned coaches Skip Prosser and Dave Odom.

"We should always be looking for a Teammate to assist us in becoming better and I can't think of three more appropriate people to get on your team than these three individuals. This book and their program helps you to use their rich and varied experiences to help you grow faster and stronger." - David E. "*Teammates For Life*" is an uplifting book about lasting friendships and what we are willing to do for those we love. The story centers on a college basketball team that overcomes adversity to make it to the Final Four. One of its star players, Kenny Arnold, is diagnosed with a brain tumor at a young age and as these young men grow into adults, they choose to continue working together to help Arnold battle his health issues. This group of people uses the same dedication, spirit, enthusiasm and selflessness to provide support for Arnold as they did more than three decades ago to become an elite college basketball team. They are truly teammates for life. Fighting an illness like cancer takes courage, determination and strength. It is not something a person should ever have to go through alone. Whether that person has a support system of family, friends or a combination, this group of people could easily be referred to as "teammates." This story may inspire someone to do a little extra for a person in their life who needs some support. Maybe it's simply stopping by to say hello or perhaps it's something that take additional effort or a more significant commitment. The main thing is to let that person know he or she is not alone.
