This manual also provides essential safety information for both new and experienced Arizona drivers. ADOT MVD delivers services to millions of Arizona motorists each year. In line with the Division's vision of getting Arizona "out of the line and safely on the road" we are continuously improving processes to provide swift and efficient service. In addition to coming into an office, ADOT MVD offers alternative methods for Arizonans to access services. For example, through ServiceArizona.com, customers are able to complete more than 20 motor vehicle transactions, such as renewing your vehicle registration, requesting a replacement driver license, updating your address, and purchasing a personalized or specialty license plate. We also encourage Arizona drivers to take advantage of the more than 160 privately operated Authorized Third Party locations to serve you across the state. Several of these locations offer both Title and Registration and driver license transactions!
