Every year, we say we 're going to cut back, simplify, and have a family Christmas that focuses on the real reason for the season—Jesus. But every year, advertisements beckon, the children plead, and it seems easier just to indulge our wants and whims. Overspending, overeating, materialism, and busyness rob us of our peace and joy and rob Jesus of his rightful role as the center of our celebration. This Christmas, cut through the hype that leaves you exhausted and broke at the end of the year. Instead, experience the peace of knowing that God is truly with us, the joy of giving sacrificially, and the love of a Savior who gave everything he had for us. In five short, engaging chapters, Pastor Mike Slaughter inspires

readers to approach Christmas differently, and be transformed in the process.

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

"Yes, I do have a Texas connection, but, as we say in the Midwest, where I grew up, not so's you'd know it." So Calvin Trillin introduces this collection of articles and poems about a place that turns up surprisingly often when he's ostensibly writing about something else. Whether reporting on the American scene for the New Yorker, penning comic verse and political commentary for the Nation, or writing his memoirs, Trillin has bumped into Texas again and again. He insists that "this has not been by design . . . there has simply been a lot going on in Texas." Astute readers will note, however, that Trillin's family immigrated to the United States through the port of Galveston, and, after reading this book, many will believe that the Lone

Star State has somehow imprinted itself in the family's imagination. Trillin on Texas gathers some of Trillin's best writing on subjects near to his heart—politics, true crime, food, and rare books, among them—which also have a Texas connection. Indulging his penchant for making "snide and underhanded jokes about respectable public officials," he offers his signature sardonic take on the Bush dynasty and their tendency toward fractured syntax; a faux, but quite believable, LBJ speech; and wry portraits of assorted Texas county judges, small town sheriffs, and Houston immigration lawyers. Trillin takes us on a mouthwatering pilgrimage to the barbecue joint that Texas Monthly proclaimed the best in Texas and describes scouting for books with Larry McMurtry—who rejects all of his "sleepers." He tells the stories of two teenagers who dug up half a million dollars in an ice chest on a South Texas ranch and of rare book dealer Johnny Jenkins, who was found floating in the Colorado River with a bullet wound in the back of his head. And he recounts how redneck movie reviewer "Joe Bob Briggs" fueled a war between Dallas's daily newspapers and pays tribute to two courageous Texas women who spoke truth to power—Molly Ivins and Sissy Farenthold. Sure to entertain Texans and other folks alike, Trillin on Texas proves once again that Calvin Trillin is one of America's shrewdest observers and wittiest writers.
