~~**When a woman is the magnet for the wrong man, it takes a bad boy to break old habits. Carolina Rodriguez is a large-animal veterinarian on a mission to escape South Florida. Willing to do just about anything, she accepts a job in Annona, Texas over the internet from a family connection. At her cousin 's wedding, she runs into - literally - a handsome Texan in the parking lot. Matt McLemore is more than gorgeous, he 's Carolina 's new boss, and needs her help to determine why his cattle keep dying. Matt proposes to introduce Carolina to his family as his girlfriend, giving her the opportunity to work and stay at his ranch without arousing his family 's suspicion. Only when she learns she 's the last chance to help save his family 's cattle reputation (given his father 's refusal to listen to reason and modern genetic testing) does she agree to accept the part of his girlfriend. Matt 's instantaneous attraction to Carolina is an excruciating temptation but a roll in the hay may prove too volatile to handle. He attempts to keep a hands-off relationship until she arrives on his ranch and she is too hot to resist. Carolina refuses to admit Matt 's raw sensuality is more than overpowering or that she 's the least bit tempted by a smooth talking bad boy. By the time the lab reports come back, they 've explored every inch of each other. All of a sudden, this fiery affair is more than just a fling. When a past flame threatens to overwhelm their newfound romance, Matt must find a way to stake his claim to Carolina 's heart before it 's too late. Sensuality Level: Sensual**~~

~~**Sweeping passions, family drama, and searing scandal play out at the magnificent Silver Creek Ranch as the heirs to a powerful dynasty seize their legacy of love. Oldest son Ward Knowles feels the sprawling California ranch in his blood. And now that the family business has expanded to include a popular resort, he 's working harder than ever. Silver Creek is his legacy and his life, which is fine for the ruggedly sexy ladies ' man and committed bachelor. Love and trust don 't come easily for Ward since he lost his heart to a gold digger—until he meets a shy, unpretentious beauty whose sweet grace is about to turn his jade heart into a hungry one. Tess Casari has found sanctuary at Silver Creek, working as an assistant to Ward 's mother, Adele. Grateful for her busy new life running the ranch 's spa and resort, Tess can escape the heartbreak, humiliation, and secret shame of her failed marriage. The last thing she needs is temptation—especially from a man who reminds her so much of the husband who shattered her faith in love. But passion and destiny are about to change the rules for two people who have stopped believing in the healing power of love. ~~**His bed. His rules. His intense ability to make her come...completely undone. Law student Gina Banks knows that getting in bed--literally--with billionaire Austin Long is just plain trouble. Sure, she's done some dangerous things in the past to fight the good fight, but taking risks is far different from testing her limits. Being with Austin would involve both. Still, the chance to help the families in her hometown is something she just can't turn down. So, she agrees to his terms. Total surrender. Hers. To him. A simple business deal where they both get what they want. The absolute last thing Gina expects is for Austin to end up wanting her to surrender her heart to him, too. AUTHOR 'S NOTE: C.M. Book 1: HOT ALPHA NIGHTS He was never supposed to get that text. That dirty, dirty text. To be fair, I'm actually the dictionary definition of a good girl...except when I'm thinking about him. And now that he knows how I feel, what I've been hiding from him this entire time, he won't let me hide from it. He certainly won't let me run from it. The thing is, he's been hiding his feelings from me too. And his version of dirty? So much better than mine. AUTHOR'S NOTE: Even by my steamy standards, this one is admittedly super sexy.
