Dec 21, 2017 — By Eric Benson The El Paso congressman is waging a long-shot campaign to prove a Democrat can win in Texas. Ted Cruz Is (Still) Running for President

TEXAS POLITICS TODAY is the standard in its coverage of Texas institutions, policies, and politics. It combines a comparative approach with tightly integrated learning objectives and questions addressing the Texas GOVT2306 Core Objectives. The text closes the gap between theory and practice with its Insiders and Politics in Practice features. The text reveals the inner workings of Texas elites,

interest groups, campaign megadonors, and policy makers. The authors tapped their resources among political activists and officeholders to provide students with exclusive essays written by essayists ranging from the governor to campaign consultants to marijuana advocates, showing students how real-world politics operates in Texas. Texas Politics Today stimulates critical thinking and civic participation with a special focus on current political issues ranging from immigration, LGBT politics, gun control policies, abortion laws, and Latino politics to the culture wars in education. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

TEXAS POLITICS TODAY continues to be a best-selling overview of Texas Politics because it offers students a wide range of viewpoints, drawing on the diverse political and social perspectives of its contributing authors to give students rich, nuanced insight into the political system and decision-making processes of the Lone Star State. Current issues and candid analysis of government increase student awareness of the real effects of state policy on their lives, and encourage them to get politically involved.

Delivering unrivaled coverage, TEXAS POLITICS TODAY, ENHANCED, 18th Edition combines a comparative approach with tightly integrated learning objectives and questions addressing the Texas GOVT2306 Core Objectives. Reflecting the latest trends and issues, it offers expanded coverage of ideology and social issues, Texas demographic changes, the rising importance of Latinos in Texas politics and the growing role of social and digital media. It also includes a special focus on immigration, LGBT politics, gun control policies, abortion laws and the culture wars in education. First person essays from the governor, political activists, campaign consultants and others illustrate how Texas politics works in real-world practice. Closing the gap between political theory and reality, the text gives you a clear understanding of how Texas compares with other states. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The fifth edition of this popular text is now expanded and updated to better fit the needs of a stand-alone Texas Politics course. Jillson continues to approach the politics of the Lone Star State from historical, developmental, and analytical perspectives, while giving students the most even-handed, readable, and engaging description of Texas politics available today. Throughout the book students are encouraged to connect the origins and development of government and politics in Texas--from the Texas Constitution, to party competition, to the role and powers of the Governor--to its current day.

TEXAS POLITICS TODAY encourages critical thinking and civic participation with ideas, essays, and questions related to Texas politics, presented from different viewpoints. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

GATEWAYS TO DEMOCRACY introduces the American political system to students,

pointing out in each chapter the gateways that facilitate, or at times block, participation. In emphasizing how the political system works—and how individuals and groups have opened gates to influence public policy—the text helps students see the relevance of government in their lives. The third edition provides coverage of the 2014 midterm elections as well as enhanced discussion of the politics, policies, and issues affecting Latinos in the United States. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

A New York Times Notable Book National Book Critics Circle Award Finalist An NPR Best Book of the Year *God Save Texas* is a journey through the most controversial state in America. It is a red state, but the cities are blue and among the most diverse in the nation. Oil is still king, but Texas now leads California in technology exports. Low taxes and minimal regulation have produced extraordinary growth, but also striking income disparities. Texas looks a lot like the America that Donald Trump wants to create. Bringing together the historical and the contemporary, the political and the personal, Texas native Lawrence Wright gives us a colorful, wide-ranging portrait of a state that not only reflects our country as it is, but as it may become—and shows how the battle for Texas's soul encompasses us all.

In November 1960, the Democratic party dominated Texas. The newly elected vice president, Lyndon Johnson, was a Texan. Democrats held all thirty statewide elective positions. The state legislature had 181 Democrats and no Republicans or anyone else. Then fast forward fifty years to November 2010. Texas has not voted for a Democratic president since 1976. Every statewide elective office is held by Republicans. Representing Texas in Washington is a congressional delegation of twenty-five Republicans and nine Democrats. Republicans control the Texas Senate by a margin of nineteen to twelve and the Texas House of Representatives by 101 to 49. *Red State* explores why this transformation of Texas politics took place and what these changes imply for the future. As both a political scientist and a Republican party insider, Wayne Thorburn is especially qualified to explain how a solidly one-party Democratic state has become a Republican stronghold. He analyzes a wealth of data to show how changes in the state's demographics—including an influx of new residents, the shift from rural to urban, and the growth of the Mexican American population—have moved Texas through three stages of party competition, from two-tiered politics, to two-party competition between Democrats and Republicans, and then to the return to one-party dominance, this time by Republicans. His findings reveal that the shift from Democratic to Republican governance has been driven not by any change in Texans' ideological perspective or public policy orientation—even when Texans were voting Democrat, conservatives outnumbered liberals or moderates—but by the Republican party's increasing identification with conservatism since 1960.
