Articles and comic verse about the Lone Star State from the Thurber Prize winner: "What's not to love?" —Texas Monthly Whether reporting for the New Yorker, penning comic verse and political commentary, or writing his memoirs, Calvin Trillin has bumped into Texas again and again. He insists it's not by design— "there has simply been a lot going on in Texas." Astute readers will note, however, that Trillin's family immigrated to America through the port of Galveston, and, after reading this book, many will believe the Lone Star State has somehow imprinted itself on his imagination. Trillin on Texas gathers some of his best writing on subjects near to his heart—politics, true crime, food, and rare books among them—that also have a Texas connection. Indulging his penchant for making "snide and underhanded jokes about respectable public officials," he offers his signature sardonic take on the Bush dynasty and their tendency toward fractured syntax; a faux but quite believable LBJ speech; and wry portraits of assorted Texas county judges, small town sheriffs, and Houston immigration lawyers. He takes us on a pilgrimage to the barbecue joint that Texas Monthly named the best in Texas, and describes scouting for books with Larry McMurtry. He tells the stories of two teenagers who dug up half a million dollars in an ice chest, and of rare book dealer Johnny Jenkins, who was found floating in the Colorado River with a bullet wound in the back of his head. And he recounts how redneck movie reviewer "Joe Bob Briggs" fueled a war between Dallas's daily newspapers and pays tribute to two courageous Texas women who spoke truth to power: Molly Ivins and Sissy Farenthold. Sure to entertain both Texans and non-Texans, Trillin on Texas proves again that Trillin is one of America's shrewdest and wittiest observers.

Texas Temporary Tags is a professional development resource for Texas Peace Officers. The lack of enforcement from Police has caused a boom in the "fake Tag" economy. Officers don't know what to look for, so they avoid enforcement action. TxDMV estimates that in any given year there are up to 1 million Temporary Tags being used on vehicles across the state. Of those 1 million Temporary Tags in use, about 50% are either fake or expired. This is an area of enforcement that is underserved and can have an immediate effect of street-level Officers productivity. Vehicles utilizing fake Tags are often involved with crimes such as; DWLI, UCW, POCS, POM, POD, Deadly Conduct, Auto Theft, LTS, FSRA, Robbery, Agg. Assault, and numerous other violent / non-violent offenses. This book is a portable guide geared to rapidly familiarize you with every aspect of Texas Temporary Tags; from the recognition of legitimate tags over fake ones to understanding how various tags work and applying/enforcing applicable laws.
