DreamWorks Pictures' *Thank You for Your Service* follows a group of U.S. soldiers returning from Iraq who struggle to integrate back into family and civilian life, while living with the memory of a war that threatens to destroy them long after they've left the battlefield. Starring an ensemble cast led by Miles Teller, Haley Bennett, Joe Cole, Amy Schumer, Beulah Koale, Scott Haze, Keisha Castle-Hughes, Brad Beyer, Omar J. Dorsey and Jayson Warner Smith, the drama is based on the bestselling ...

Thank You for Your Service (2017) - IMDb

Thank You for Your Service is a 2017 American biographical war drama film written and directed by Jason Hall, in his directorial debut, and based on the 2013 non-fiction book of the same name by David Finkel. Finkel, a Washington Post reporter, wrote about veterans of the 2nd Battalion, 16th Infantry Regiment returning to the vicinity of Fort Riley, Kansas, following a 15-month deployment in Iraq in 2007. The film is about posttraumatic stress disorder, depicting U.S. soldiers who try to adjust

File Type PDF Thank You For Your Service David Finkel

An award-winning staff writer for The Washington Post discusses the hardships faced by soldiers who have come home from service by following the men of the 2-16 Infantry Battalion originally depicted in his book *The Good Soldiers*. 100,000 first printing.

Now a Major Motion Picture Directed by American Sniper Writer Jason Hall and Starring Miles Teller
The wars of the past decade have been covered by brave and talented reporters, but none has reckoned with the psychology of these wars as intimately as the Pulitzer Prize-winning journalist David Finkel. For *The Good Soldiers*, his bestselling account from the front lines of Baghdad, Finkel embedded with the men of the 2-16 Infantry Battalion during the infamous "surge," a grueling fifteen-month tour that changed them all forever. In Finkel's hands, readers can feel what these young men were experiencing, and his harrowing story instantly became a classic in the literature of modern war. In *Thank You for Your Service*, Finkel has done something even more extraordinary. Once again, he has embedded with some of the men of the 2-16—but this time he has done it at home, here in the States, after their deployments have ended. He is with them in their most intimate, painful, and hopeful moments as they try to recover, and in doing so, he creates an indelible, essential portrait of what life after war is like—not just for these soldiers, but for their wives, widows, children, and friends, and for the professionals who are truly trying, and to a great degree failing, to undo the damage that has been done. The story Finkel tells is mesmerizing, impossible to put down. With his unparalleled ability to report a story, he climbs into the hearts and minds of those he writes about. *Thank You for Your Service* is an act of understanding, and it offers a more complete picture than we have ever had of these two essential

questions: When we ask young men and women to go to war, what are we asking of them? And when they return, what are we thanking them for? One of Publishers Weekly's Best Nonfiction Books of 2013 One of The Washington Post's Top 10 Books of the Year A New York Times Notable Book of 2013 An NPR Best Book of 2013 A Kirkus Reviews Best Nonfiction Book of 2013

No journalist has reckoned with the psychology of war as intimately as David Finkel. In *The Good Soldiers*, Finkel shadowed the men of the US 2-16 Infantry Battalion in Baghdad as they carried out the grueling fifteen-month "surge" that changed them all forever. Now Finkel has followed many of the same men as they've returned home and struggled to reintegrate - both into their family lives and into society at large. In the ironically titled *Thank You for Your Service*, Finkel writes with tremendous compassion not just about the soldiers but about their wives and children. Where do soldiers belong after their homecoming? Is it reasonable, or even possible, to expect them to rejoin their communities as if nothing has happened? And in moments of hardship, who can soldiers turn to if they feel alienated by the world they once lived in? These are the questions Finkel faces as he revisits the brave but shaken men of the 2-16. More than a work of journalism, *Thank You for Your Service* is an act of understanding -- shocking but always riveting, unflinching but deeply humane, it takes us inside the heads of those who must live the rest of their lives with the realities of war.

No journalist is better situated to reckon with the psychology of war than David Finkel. In *The Good Soldiers*, his bestselling account from the front lines of Baghdad, Finkel shadowed the men of a US infantry battalion as they carried out a gruelling 15-month tour that changed all of them forever. Now, Finkel follows many of those same men back home, in a journey that is less about geography than of

File Type PDF Thank You For Your Service David Finkel

psychological terrain, undertaken by people trying to heal or at the very least survive. In *Thank You for Your Service*, Finkel writes with tremendous compassion about the soldiers, and about their partners and children: the heartbroken wife who wonders privately whether her returned husband is going to get better, or kill her; and the heroic victims, with the fresh taste of a gun in their mouths, who will either make the journey back to sanity or to final ruin. Finkel takes us everywhere that the war is seeping into as it infects America: to the courtrooms that are being filled with divorce and abuse cases, and worse; to bars; and to Fort Riley, in the mental-health clinic to which the army is outsourcing its post-traumatic stress disorder cases. *Thank You for Your Service* is an immense act of understanding — shocking but always riveting, unflinching but deeply humane.

NEW YORK TIMES BESTSELLER • The unapologetic, laugh-your-ass-off military memoir both vets and civilians have been waiting for, from a five-tour Army Ranger turned YouTube phenomenon and zealous advocate for veterans. Members of the military's special operations branches share a closely guarded secret: They love their jobs. They relish the opportunity to fight. They are thankful for it, even, and hopeful that maybe, possibly, they'll also get to kill a bunch of bad guys while they're at it. You don't necessarily need to thank them for their service—the pleasure is all theirs. In this hilarious and personal memoir, readers ride shotgun alongside former Army Ranger and private military contractor and current social media phenomenon Mat Best, into the action and its aftermath, both abroad and at home. From surviving a skin infection in the swampy armpit of America (aka Columbus, Georgia) to kicking down doors on the outskirts of Ramadi, from blowing up a truck full of enemy combatants to witnessing the effects of a suicide bombing right in front of your face, *Thank You for My Service* gives readers who love America and love the good guys fresh insight into what it's really like inside the minds

File Type PDF Thank You For Your Service David Finkel

of the men and women on the front lines. It's also a sobering yet steady glimpse at life for veterans after the fighting stops, when the enemy becomes self-doubt or despair and you begin to wonder why anyone should be thanking you for anything, least of all your service. How do you keep going when something you love turns you into somebody you hate? For veterans and their friends and families, *Thank You for My Service* will offer comfort, in the form of a million laughs, and counsel, as a blueprint for what to do after the war ends and the real fight begins. And for civilians, this is the insider account of military life you won't find anywhere else, told with equal amounts of heart and balls. It's *Deadpool* meets *Captain America*, except one went to business school and one went to therapy, and it's anyone's guess which is which.

So much to read, so little time? This brief overview of *Thank You for Your Service* tells you what you need to know—before or after you read David Finkel's book. Crafted and edited with care, *Worth Books* set the standard for quality and give you the tools you need to be a well-informed reader. This short summary and analysis of *Thank You for Your Service* includes: Historical context Chapter-by-chapter overviews Profiles of the main characters Important quotes Fascinating trivia Glossary of terms Supporting material to enhance your understanding of the original work About *Thank You for Your Service* by David Finkel: Pulitzer Prize-winning author David Finkel's *Thank You for Your Service* is an intimate and powerful account of the lives of Iraq veterans after they return home. Having depicted life on the front lines in Baghdad in his first book, Finkel follows the struggle of the same soldiers' return to civilian life. He exposes the hidden costs of war: the reality of living with post-traumatic stress disorder, the physical wounds and financial struggles of military personnel, and the spiraling suicide rate amongst veterans. Soldiers are plagued by nightmares, memory loss, violent impulses, and guilt over

File Type PDF Thank You For Your Service David Finkel

their dead comrades. Spouses and children are bewildered by the return of their loved ones, whose personalities have changed beyond all recognition. Finkel humanizes the aftermath of military life and makes a strong case for increased investment in veteran mental healthcare. *Thank You for Your Service* has received great critical acclaim and was among the *New York Times*, the *Washington Post*, and the *Economist's* top 10 Books of the Year in 2013. The summary and analysis in this ebook are intended to complement your reading experience and bring you closer to a great work of nonfiction.

It was the last-chance moment of the war. In January 2007, President George W. Bush announced a new strategy for Iraq. He called it the surge. "Many listening tonight will ask why this effort will succeed when previous operations to secure Baghdad did not. Well, here are the differences," he told a skeptical nation. Among those listening were the young, optimistic army infantry soldiers of the 2-16, the battalion nicknamed the Rangers. About to head to a vicious area of Baghdad, they decided the difference would be them. Fifteen months later, the soldiers returned home forever changed. Pulitzer Prize-winning *Washington Post* reporter David Finkel was with them in Bagdad, and almost every grueling step of the way. What was the true story of the surge? And was it really a success? Those are the questions he grapples with in his remarkable report from the front lines. Combining the action of Mark Bowden's *Black Hawk Down* with the literary brio of Tim O'Brien's *The Things They Carried*, *The Good Soldiers* is an unforgettable work of reportage. And in telling the story of these good soldiers, the heroes and the ruined, David Finkel has also produced an eternal tale—not just of the Iraq War, but of all wars, for all time.

uniform to write in, share their combat experience and stories, meditate and memorialize their thoughts whilst on deployment. An excellent gift to give to a wife, husband, brother, son and any loved one in the military

A blistering critique of the gulf between America's soldiers and the society that sends them off to war, from the bestselling author of *The Limits of Power* and *Washington Rules* The United States has been "at war" in Iraq and Afghanistan for more than a decade. Yet as war has become normalized, a yawning gap has opened between America's soldiers and veterans and the society in whose name they fight. For ordinary citizens, as former secretary of defense Robert Gates has acknowledged, armed conflict has become an "abstraction" and military service "something for other people to do." In *Breach of Trust*, bestselling author Andrew J. Bacevich takes stock of the separation between Americans and their military, tracing its origins to the Vietnam era and exploring its pernicious implications: a nation with an abiding appetite for war waged at enormous expense by a standing army demonstrably unable to achieve victory. Among the collateral casualties are values once considered central to democratic practice, including the principle that responsibility for defending the country should rest with its citizens. Citing figures as diverse as the martyr-theologian Dietrich Bonhoeffer and the marine-turned-anti-warrior Smedley Butler, *Breach of Trust* summons Americans to restore that principle. Rather than something for "other people" to do, national defense should become the business of "we the people." Should Americans refuse to shoulder this responsibility, Bacevich warns, the prospect of endless war, waged by a "foreign legion" of professionals and contractor-mercenaries, beckons. So too does bankruptcy—moral as well as fiscal.

File Type PDF Thank You For Your Service David Finkel

Fifty-five years in the writing, these are the collected poems of W.D. Ehrhart, one of the major figures in Vietnam War literature. Arranged chronologically, it allows readers to trace the development of a writer whose talents are bound together by the lingering physical, psychological, political and intellectual sensibilities the author first developed as a young enlisted Marine during the Vietnam War. And while many of the poems deal with the author's encounter with the Vietnam War and its endless consequences, the poems range widely in content from family and friends to nature and the environment to the blessings and absurdities of the human condition.
