In the 2021 edition of the QS World University Rankings, just under half of the top 100 universities in the world are located in the US (which has 27 representatives) or the UK (18). Here's a complete rundown of the world's top 100.

A list of the one hundred most influential people in history features descriptions of the careers, contributions, and accomplishments of the political and religious leaders, inventors, writers, artists, and others who changed the course of history. Simultaneous.

Explaining his ratings, the author presents 100 people who swayed the destinies of millions of people, determined the rise and fall of civilizations or transformed the course of history. The author presents a new perspective on history, gathering together the vital facts about the world's greatest religious and political leaders, inventors, writers philosphers, explorers, artists and innovators from Asoka to Zoroaster.

This book contains a biography of the "world's most influential person", Muhammad, according to Michael H. Hart.

Some of the most influential and interesting people in the world are fictional. Sherlock Holmes, Huck Finn, Pinocchio, Anna Karenina, Genji, and Superman, to name a few, may not have walked the Earth (or flown, in Superman's case), but they certainly stride through our lives. They influence us personally: as childhood friends, catalysts to our dreams, or even fantasy lovers. Peruvian author and presidential candidate Mario Vargas Llosa, for one, confessed to a lifelong passion for Flaubert's Madame Bovary. Characters can change the world. Witness the impact of Solzhenitsyn's Ivan Denisovich, in exposing the conditions of the Soviet Gulag, or Harriet Beecher Stowe's Uncle Tom, in arousing anti-slavery feeling in America. Words such as quixotic, oedipal, and herculean show how fictional characters permeate our language. This list of the Fictional 100 ranks the most influential fictional persons in world literature and legend, from all time periods and from all over the world, ranging from Shakespeare's Hamlet [1] to Toni Morrison's Beloved [100]. By tracing characters' varied incarnations in literature, art, music, and film, we gain a sense of their shape-shifting potential in the culture at large. Although not of flesh and blood, fictional characters have a life and history of their own. Meet these diverse and fascinating people. From the brash Hercules to the troubled Holden Caulfield, from the menacing plots of Medea to the misguided schemes of Don Quixote, The Fictional 100 runs the gamut of heroes and villains, young and old, saints and sinners. Ponder them, fall in love with them, learn from their stories the varieties of human experience--let them live in you.

This survey of the most influential Jewish lives includes short biographies of Karl Marx, Jesus, Einstein, Freud, Moses, Chaim Weizmann, Haym Salomon, and many other Jews of note. Reprint.

Profiling African Americans whose contributions have had a significant impact on the struggle for equality, a biographical chronicle ranks figures from the last four hundred years

Details the books that have forever changed civilization, from the Bible and the Koran to Darwin's Origin of the Species and Freidan's Feminine Mystique, and includes a historical overview and fascinating facts for each author and book, and much more. Original.

New York Times Bestseller A New York Times Notable Book Named one of the Best Books of the Year by the Wall Street Journal, the Economist, Foreign Affairs, and Kirkus Reviews Finalist for the National Book Critics Circle Award (Nonfiction) Shortlisted for the Cundill Prize in Historical Literature Finalist for the Los Angeles Times Book Prize (History) A San Francisco Chronicle Holiday Gift Guide Selection A New York Times Book Review Editors' Choice Selection A sweeping, "magisterial" history of the Roman Empire from one of our foremost classicists shows why Rome remains "relevant to people many centuries later" (Atlantic). In SPQR, an instant classic, Mary Beard narrates the history of Rome "with passion and without technical jargon" and demonstrates how "a slightly shabby Iron Age village" rose to become the "undisputed hegemon of the Mediterranean" (Wall Street Journal). Hailed by critics as animating "the grand sweep and the intimate details that bring the distant past vividly to life" (Economist) in a way that makes "your hair stand on end" (Christian Science Monitor) and spanning nearly a thousand years of history, this "highly informative, highly readable" (Dallas Morning News) work examines not just how we think of ancient Rome but challenges the comfortable historical perspectives that have existed for centuries. With its nuanced attention to class, democratic struggles, and the lives of entire groups of people omitted from the historical narrative for centuries, SPQR will to shape our view of Roman history for decades to come.
