Now complete with daily prompts to reflect on each day of a month-long, alcohol-free plan, the author of This Naked Mind helps readers challenge their thinking, find clarity, and form new habits. Changing your habits can be hard without the right tools. This is especially true for alcohol because habits are, by definition, subconscious thought processes. Through her methodical research of the latest neuroscience and her own journey, Annie Grace has cracked the code on habit change by addressing the specific ways habits form. This unique and unprecedented method has now helped thousands redefine their relationship to drinking painlessly and without misery. In The Alcohol Experiment, Annie offers a judgment-free action plan for anyone who's ever wondered what life without alcohol is like. The rules are simple: Abstain from drinking for 30 days and just see how you feel. Annie arms her readers with the science-backed information to address the cultural and emotional conditioning we experience around alcohol. The result is a mindful approach that puts you back in control and permanently stops cravings. With a chapter and journal prompt devoted to each day of the experiment, Annie presents wisdom, tested strategies, and thought-provoking information to supplement the plan and support your step-by-step success as you learn what feels good for you. It's your body, your mind, and your choice.

*A groundbreaking program to help you cut back or quit drinking entirely--in the privacy of your own home**

This Naked Mind has ignited a movement across the country, helping thousands of people forever change their relationship with alcohol. Many people question whether drinking has become too big a part of their lives, and worry that it may even be affecting their health. But, they resist change because they fear losing the pleasure and stress-relief associated with alcohol, and assume giving it up will involve deprivation and misery. This Naked Mind offers a new, positive solution. Here, Annie Grace clearly presents the psychological and neurological components of alcohol use based on the latest science, and reveals the cultural, social, and industry factors that support alcohol dependence in all of us. Packed with surprising insight into the reasons we drink, this book will open your eyes to the startling role of alcohol in our culture, and how the stigma of alcoholism and recovery keeps people from getting the help they need. With Annie ' s own extraordinary and candid personal story at its heart, this book is a must-read for anyone who drinks. This Naked Mind will give you freedom from alcohol. It removes the psychological dependence so that you will not crave alcohol, allowing you to easily drink less (or stop drinking). With clarity, humor, and a unique blend of science and storytelling, This Naked Mind will open the door to the life you have been waiting for. "You have given me my live back." —Katy F., Albuquerque, New Mexico " This is an inspiring and groundbreaking must-read. I am forever inspired and changed." —Kate S., Los Angeles, California " The most selfless and amazing book that I have ever read." —Bernie M., Dublin, Ireland

Be happier, healthier and more productive by taking a break from booze! An illustrated day-by-day guide packed with inspiration and practical help, The 28 Day Alcohol-Free Challenge is the only book you need to reset your drinking habits and discover a hangover-free world of quality time to achieve your goals. Drawing on their own experiences of ditching the drink, and bringing together the collective experience of the thousands of people they have helped, Andy and Ruari bring you unparalleled insight into how you can make your break from alcohol an empowering, life-changing experience. Andy Ramage and Ruari Fairbairns started their website One Year No Beer to connect with like-minded people who no longer wanted to deal with the adverse effects of drinking alcohol. In The 28 Day Alcohol-Free Challenge Andy and Ruari share their extensive experience of going alcohol free, including having a great time at parties, resisting appeals from friends to 'just have the one', and, most importantly, how to make the most of the health benefits of going sober.

Kate Gunn was a social drinker, usually having a few drinks about three nights a week. But she had an inkling that alcohol was holding her back from getting on top of her life, and the hangovers were getting worse. So when Kate's partner had to take a break from alcohol for a month, she decided to dip her toe in the water in solidarity with him and try being a non-drinker too. Not long into her transformational journey, Kate discovered that breaking free from alcohol improved every single aspect of her life: from relationships to health to work to happiness. In The Accidental Soberista, Kate chronicles the challenges and obstacles on the path to giving herself the greatest gift she has ever received - freedom from alcohol. Whether you ' re sober-curious or want to remove the final obstacle in the way of your own health and life goals, this could be just the journey for you too.

Would life be better without alcohol? It ' s the nagging question more and more of us are finding harder to ignore, whether we have a " problem " with alcohol or not. After all, we yoga. We green juice. We meditate. We self-care. And yet, come the end of a long work day, the start of a weekend, an awkward social situation, we drink. One glass of wine turns into two turns into a bottle. In the face of how we care for ourselves otherwise, it ' s hard to avoid how alcohol really makes us feel... terrible. How different would our lives be if we stopped drinking on autopilot? If we stopped drinking altogether? Really different. It turns out. Really better. Frank, funny, and always judgment free, Sober Curious is a bold guide to choosing to live hangover-free, from Ruby Warrington, one of the leading voices of the new sobriety movement. Drawing on research, expert interviews, and personal narrative, Sober Curious is a radical take down of the myths that keep so many of us drinking. Inspiring, timely, and blame free, Sober Curious is both conversation starter and handbook—essential reading that empowers readers to transform their relationship with alcohol, so we can lead our most fulfilling lives.

Are you struggling with alcohol addiction? Have you tried to quit, but you haven't managed to stop? Well, alcohol addiction is a disease and for you to stop drinking alcohol, you have to embrace the fact that you need help. In this book, I will briefly take you through my journey of alcoholism and how it affected my life. Personally, I had befriended the bottle to the extent that I found it difficult to let go. This friend grew into a monster that I couldn't control any more. I suffered in the hands of alcoholism as it stole away everything that I had worked hard for including my friends and family. In just a few years, I was at the edge. I had given up on life considering the fact that I had tried to quit drinking, but relapsed over and over again. Friends and family had given up on me. I was a worthless being. My self-esteem was negatively affected as I could not see any good thing about my life. One thing that I later realized is that I only needed to accept that I needed help for me to begin my journey towards recovery. So, I made a bold step and sought for all the professional help I required. This was the beginning of a successful journey to sobriety. Following the difficult times that I went through, I have written this book to inform and inspire other addicts out there that they can save themselves from alcohol addiction. This book details vital information that will help you comprehend how alcoholism corrupts your mind and robs you of your humanity. What's more, you will garner a deeper insight into some of the reasons why people find it difficult to quit. What you will find inside. Why you need to make a life-time decision Why is it so hard to quit drinking? Causes of alcohol addiction How to successfully quit drinking alcohol: tips and advice Signs to help you realize that you're an enabler and how to stop Detox vs rehab; choosing the best recovery path How to avoid alcohol relapse The 30-day no alcohol challenge And so much more! Scroll up and click the buy now button

Do you want to take a break from alcohol easily and safely? When you stop drinking, it takes up to 10 days for the alcohol to completely leave your system. It ' s a tricky time. You get cravings and your thinking becomes emotional. Most people struggle in the early days. But now there ' s a modern, scientific solution. The 10-Day Alcohol Detox Plan walks you through the detox period painlessly and explains everything you need to carry on to your personal sobriety goal, whether short-term or long-term.
