MacKayla Lane's life is good. She has great friends, a decent job, and a car that breaks down only every other week or so. In other words, she's your perfectly ordinary twenty-first-century woman. Or so she thinks . . . until something extraordinary happens. When her sister is murdered, leaving a single clue to her death—a cryptic message on Mac's cell phone—Mac journeys to Ireland in search of answers. The quest to find her sister's killer draws her into a shadowy realm where nothing is as it seems, where good and evil wear the same treacherously seductive mask. She is soon faced with an even greater challenge: staying alive long enough to learn how to handle a power she had no idea she possessed—a gift that allows her to see beyond the world of man, into the dangerous realm of the Fae. . . . As Mac delves deeper into the mystery of her sister's death, her every move is shadowed by the dark, mysterious Jericho, a man with no past and only mockery for a future. As she begins to close in on the truth, the ruthless Vlane—an alpha Fae who makes sex an addiction for human women—closes in on her. And as the boundary between worlds begins to crumble, Mac's true mission becomes clear: find the elusive Sinsar Dubh before someone else claims the all-powerful Dark Book—because whoever gets to it first holds nothing less than complete control of the very fabric of both worlds in their hands. . . . Recommended by Charlaine Harris, author of the series that inspired HBO's hit series TRUE BLOOD, this new #1 Bestselling series will take readers by storm! They may have stolen my past, but I'll never let them take my future. When the walls between Man and Fae come crashing down, freeing the insatiable, immortal Unseelie from their icy prison, MacKayla Lane is caught in a deadly trap. Captured by the Fae Lord Master, she is left with no memory of who or what she is. Clawing her way back from oblivion is only the first step Mac must take down a perilous path, from the battle-filled streets of Dublin to the treacherous politics of an ancient, secret sect, through the tangled lies of men who claim to be her allies into the illusory world of the Fae themselves, where nothing is as it seems - and Mac is forced to face a soul-shattering truth.

NEW YORK TIMES BESTSELLER — Immortal Faerie and ancient feuds, secrets and sacrifices—a thrilling new chapter in the bestselling Fever series begins, featuring Dani, Ryodan, and other beloved characters, as they battle to save Dublin from the rising of a terrifying evil determined to enslave the human race. There is no action without consequence. Dani O'Malley was nine years old when the delusional, sadistic Rowena transformed her into a ruthless killer. Years later, Dani is tough and hardened, yet achingly vulnerable and fiercely compassionate, living alone by her own exacting code. Despite the scars on her body, and driven by deeper ones carved into her soul, no one is more committed to protecting Dublin. By day she ensures the safety of those she rescues, by night she hunts evil, dispensing justice swiftly and without mercy, determined to give to those she cares for the peace she has never known. There is no power without price. When the Faerie Queen used the dangerously powerful Song of Making to heal the world from the damage done by the Hoar Frost King, catastrophic magic seeped deep into the earth, giving rise to horrifying, unforeseen consequences—and now deadly enemies plot in the darkness, preparing to enslave the human race and unleash an ancient reign of Hell on Earth. There is no future without sacrifice. With the lethal, immortal Ryodan at her side, armed with the epic Sword of Light, Dani once again battles to save the world, but her past comes back to haunt her with a vengeance, demanding an unspeakable price for the power she needs to save the human race. And no one—not even Ryodan, who would move the very stars

for her—can save her this time. NEW YORK TIMES BESTSELLER “MacKayla Lane and Jericho Barrons return in the epic conclusion to the pulse-pounding *Fever* series, where a world thrown into chaos grows more treacherous at every turn. As Mac, Barrons, Ryodan, and Jada struggle to restore control, enemies become allies, right and wrong cease to exist, and the lines between life and death, lust and love, disappear completely. Black holes loom menacingly over Dublin, threatening to destroy the earth, yet the greatest danger is the one MacKayla Lane has unleashed from within: The Sinsar Dubh—a sentient book of unthinkable evil—has possessed her body and will stop at nothing in its insatiable quest for power. The fate of Man and Fae rests on destroying the book and recovering the long-lost Song of Making, the sole magic that can repair the fragile fabric of the earth. But to achieve these aims, sidhe-seers, the Nine, Seelie, and Unseelie must form unlikely alliances and make heart-wrenching choices. For Barrons and Jada, this means finding the Seelie queen, who alone can wield the mysterious song, negotiating with a lethal Unseelie prince hell-bent on ruling the Fae courts, and figuring out how to destroy the Sinsar Dubh while keeping Mac alive. This time, there’s no gain without sacrifice, no pursuit without risk, no victory without irrevocable loss. In the battle for Mac’s soul, every decision exacts a tremendous price. In Karen Marie Moning’s latest installment of the epic #1 New York Times bestselling *Fever* series, Mac, Barrons, Ryodan, and Jada are back—and the stakes have never been higher and the chemistry has never been hotter. Hurling us into a realm of labyrinthine intrigue and consummate seduction, *Feverborn* is a riveting tale of ancient evil, lust, betrayal, forgiveness, and the redemptive power of love. When the immortal Fae destroyed the ancient wall dividing the worlds of Man and Faery, the very fabric of the universe was damaged, and now Earth is vanishing bit by bit. Only the long-lost Song of Making—a haunting, dangerous melody that is the source of life itself—can save the planet. But those who seek the mythic song must contend with old wounds and new enemies, passions that burn hot and hunger for vengeance that runs deep. The challenges are many: the Keltar at war with nine immortals who’ve secretly ruled Dublin for eons, Mac and Jada hunted by the masses, the Seelie queen nowhere to be found, and the most powerful Unseelie prince in all creation determined to rule both Fae and Man. Now the task of solving the ancient riddle of the Song of Making falls to a band of deadly warriors divided among—and within—themselves. Once a normal city possessing a touch of ancient magic, Dublin is now a treacherously magical city with only a touch of normal. And on those war-torn streets, Mac will come face-to-face with her most savage enemy yet: herself. Edinburgh, 1844. Beautiful Aileana Kameron only looks the part of an aristocratic young lady. In fact, she’s spent the year since her mother died developing her ability to sense the presence of Sithichean, a faery race bent on slaughtering humans. She has a secret mission: to destroy the faery who murdered her mother. But when she learns she’s a Falconer, the last in a line of female warriors and the sole hope of preventing a powerful faery population from massacring all of humanity, her quest for revenge gets a whole lot more complicated. The first volume of a trilogy from an exciting new voice in young adult fantasy, this electrifying thriller blends romance and action with steampunk technology and Scottish lore in a deliciously addictive read.

The aim of the book is to be a reference book in automotive technology, as far as automotive chassis (i.e. everything that is inside a vehicle except the engine and the body) is concerned. The book is a result of a decade of work heavily sponsored by the FIAT group (who supplied material, together with other automotive companies, and sponsored the work). The first volume deals with the design of automotive components and the second volume treats the various aspects of the design of a vehicle as a system.

Two of Angel Payne’s most beloved series collide for the first time! It was supposed to be a quick and easy mission. It became the night that changed his life. Being in the wrong place at the wrong time isn’t new for Max Brickham. During his years in black ops, it was the norm more than the exception, including the mission that broke his spirit and ended his career. As an independent contractor, he’s now able to accept the cushy jobs that are best left beneath law enforcement’s radar—like the assignment he takes on as a quick favor for a longtime friend. Find a princess in a city of millions before her enemies know what he’s up to. Simple, right? Never has he been so wrong. Jayd Cimarron, princess of Arcadia beloved by her people and the media alike, has fled her island home after learning terrible secrets about her past. She’s in Paris seeking answers, but in Brick’s protective custody she finds so much more. Hidden passions. Wicked sins. The magical pieces of her sensual side, revealed by this man’s hypnotic dominance—and addicting touch. Under cover and on the run, Brick and Jayd crisscross the City of Light while fighting to stay one step ahead of the Arcadian insurgents who want to imprison her, while hunting for the one man who can unlock her past. It’s a terrifying tightwire without a safety net, but reaching to each other for balance is even more frightening. Every new embrace means more truths—and vulnerabilities—are bared. Stripped to their cores, can they find enough trust and strength in each other to fly into freedom—or fall into heartbreak?
