The Arcadia Project North American Postmodern Pastoral

The Arcadia Project: North American Postmodern Pastoral, new from Ahsahta Press, is a nearly 600-page anthology that pulls together "poetic work in the pastoral genre that is considered postmodern, experimental, or avant garde."

Received & Recommended: The Arcadia Project: North ...

There is a tongue under the water. (Dan Beachy-Quick, "This Nest, Swift Passerine") The anthology The Arcadia Project: North American Postmodern Pastoral, edited by Joshua Corey and G.C. Waldrep, takes on an ambitious task. Its aim is no less than the reformulation of the pastoral for contemporary times, and, while there are flaws in the outcome, the book itself is rich, complex and inventive.

Two New Reviews on The Arcadia Project by Harriet ...

Acadia (French: Acadie) was a colony of New France in northeastern North America which included parts of eastern Quebec, the Maritime provinces, and Maine to the Kennebec River. During much of the 17th and early 18th centuries, Norridgewock on the Kennebec River and Castine at the end of the Penobscot River were the southernmost settlements of Acadia. The French government specified land ...

Poetry. This nearly 600-page anthology brings together seminal work in the genre of the pastoral as it has evolved into the 21st century. The book's sections on New Transcendentalisms, Textual Ecologies, Local Powers, and The Necropastoral indicate the range of work being represented. Featuring some of the most provocative and innovative poets of the current moment, this anthology has been curated not only with an eye to an exhilarating reading experience, but to the literature and creative writing classrooms as well. An accompanying web site with a teachers' guide will make this volume especially valuable for students and teachers. Contributors: Emily Abendroth, Will Alexander, Rae Armantrout, Eric Baus, Dan Beachy-Quick, John Beer, Mei-Mei Berssenbrugge, Sherwin Bitsui, Kamau Brathwaite, Susan Briante, Oni Buchanan, Heather Christle, Stephen Collis, Jack Collom, Phil Cordelli, T. D. Wright.

A cynical, disabled film director with borderline personality disorder gets recruited to join a secret organization that oversees relations between Hollywood and Fairyland in this Nebula Award–nominated and Tiptree Award Honor Book that’s the first novel in a new urban fantasy series from debut author Mishell Baker. A year ago, Millie lost her legs and her filmmaking career in a failed suicide attempt. Just when she’s sure the credits have rolled on her life story, she gets a second chance with the Arcadia Project: a secret organization that polices the traffic to and from a parallel reality filled with creatures straight out of myth and fairy tales. For her first assignment, Millie is tasked with tracking down a missing movie star who also happens to be a nobleman of the Seelie Court. To find him, she’ll have to smooth-talk Hollywood power players and uncover the surreal and sometimes terrifying truth behind the glamour of Tinseltown. But stronger forces than just her inner demons are sabotaging her progress, and if she fails to unravel the conspiracy behind the noble’s disappearance, not only will she be out on the streets, but the shattering of a centuries-old peace could spark an all-out war between worlds. No pressure.

In the third book of the Nebula Award–nominated Arcadia Project series, which New York Times bestselling author Seanan McGuire called “exciting, inventive, and brilliantly plotted,” Millie Roper has to pull off two impossible heists—with the fate of the worlds in the balance. Three months ago, a rift between agents in London and Los Angeles tore the Arcadia Project apart. With both fey Courts split down the middle—half supporting London, half LA—London is putting the pieces in place to quash the resistance. But due to an alarming backslide in her mental health, new LA agent Mille Roper is in no condition to fight. When London’s opening shot is to frame Millie’s partner, Tjuan, for attempted homicide, Millie has no choice but to hide him and try to clear his name. Her investigation will take her across the pond to the heart of Arcadia at the mysterious and impenetrable White Rose palace. The key to Tjuan’s freedom—and to the success of the revolution—is locked in a vault under the fey Queen’s watchful eye. It’s up to Millie to plan and lead a heist that will shape the future of two worlds—all while pretending that she knows exactly what she’s doing...

In this sequel to the Nebula Award–nominated and Tiptree Award Honor Book that New York Times bestselling author Seanan McGuire called “exciting, inventive, and brilliantly plotted,” Millie unwillingly returns to the Arcadia Project when an impossible and deadly situation pulls her back in. Four months ago, Millie left the Arcadia Project after losing her partner Teo to the lethal magic of an Unseelie fey countess. Now, in a final visit to the scene of the crime, Millie and her former boss Caryl encounter Teo’s tormented ghost. But there’s one problem: according to Caryl, ghosts don’t exist. Millie has a new life, a stressful job, and no time to get pulled back into the Project, but she agrees to tell her side of the ghost story to the agents from the Project’s National Headquarters. During her visit though, tragedy strikes when one of the agents is gruesomely murdered in a way only Caryl could have achieved. Millie knows Caryl is innocent, but the only way to save her from the Project’s severe, off-the-books justice is to find the mysterious culprits that can only be seen when they want to be seen. Millie must solve the mystery not only to save Caryl, but also to foil an insidious, arcane terrorist plot that would leave two worlds in ruins.

In the early 1950s, Pruitt-Igoe, a vast public housing project, arose on 57 acres on the near north side of St. Louis. Barely 20 years after construction, the 33 eleven-story buildings that made up the complex were razed, and the vacant land that was once home to thousands of people was gradually reclaimed by a dense, neglected urban forest. What happened in-between is a story that tempts but also defies simple narratives. It is a story of interweaving and competing accounts, both then and now. This volume approaches Pruitt-Igoe with all of its contradiction in mind. Alongside iconic images, other seldom-seen photographs flesh out the history in sometimes surprising ways and, in doing so, preserve some of the stories that are in danger of being permanently erased and lost, just as Pruitt-Igoe was.

Poetry. In the flowing SUSQUEHANNA, language has been re-immersed in its origins. It is a coursing where "this human industry / compressed into earth- / rudders second emptiness / braids a fist." SUSQUEHANNA offers an intermingling of meaning's tributaries where our human violations of nature are plunged into the currents of an irreconcilable otherness. "a theft unhands / what had been / (interstitial) / pine-marrowed // phantom limb."

An epic meditation on contemporary American catastrophe and struggle

Your Father on the Train of Ghosts is one of the most extensive collaborations in American poetry. Over the course of a year, acclaimed poets G.C. Waldrep and John Gallaher wrote poems back and forth, sometimes once or twice a week, sometimes five or six a day. As the collaboration deepened, a third "voice" emerged that neither poet can claim as solely their own. The poems of Your Father on the Train of Ghosts read as lyric snapshots of a culture we are all too familiar with, even as it slips from us: malls and supermarkets, museums and parades, toxic waste and cheesecakes, ghosts and fire, fathers and sons. Ultimately, these fables and confessions constitute a sort of gentle apocalypse, a user-friendly self-help manual for the end of time. G.C. Waldrep is author of Goldbeater's Skin (2003 Colorado Prize for poetry), Disclamor, and Archicembalo (2008 Dorset Prize). He has won awards from the Poetry Society of America and Academy of American Poets, fellowships at Yaddo and the MacDowell Colony; and an NEA fellowship. He holds an MFA in poetry from the Iowa Writers' Workshop and teaches at Bucknell University. John Gallaher is author of Gentlemen in Turbans, Ladies in Cauls, The Little Book of Guesses (Levis Poetry Prize), and Map of the Folded World. His poetry has been included in The Best American Poetry series and numerous journals and anthologies. He co-edits The Laurel Review, GreenTower Press, and the Akron Series of Contemporary Poetics. He teaches at Northwest Missouri State University.

The Schuylkill River got its name, meaning "hidden river," from Dutch settlers who discovered its mouth sequestered behind the Delaware River's League Island. It later became a river of revolutions. Along its banks Revolutionary War battles were fought, and George Washington's army famously camped at Valley Forge. Later the river helped fuel the Industrial Revolution with coal from Schuylkill County shipped to Philadelphia via the Schuylkill Canal. The Philadelphia and Reading Railroad began here and grew into the largest corporation in the world. The iron and steel industry flourished along its waters. The Schuylkill River Desilting Project of the 1950s was the first large-scale cleanup of its kind and helped usher in an environmental revolution. The nation's first public water supply was developed here, and its first zoo and university overlook the river.

Greeks arrived in America with the expectation that freedom would permit their families to thrive and be successful. With hard work, belief in the Orthodox faith, and commitment to education, Greeks ascended in Chicago, and America, to positions of responsibility and success. Today Greek Americans are among the wealthiest and most successful of immigrant groups. Greeks recognized a historical imperative that they meet the challenges and aspirations of a classical Hellenic heritage. Greeks in Chicago celebrates the rich history of the Greek community through copious pictorial documentation.
