Production designer Nelson Lowry was inspired by Japanese woodblocks and designs that use blocks of strong colours. Kyoshi Saito (1907-1997) was the woodblock maker whose art was the main inspiration with his use of strong shapes and textures. Most of the concept scene paintings are actually digitally created with that look and feel.

LAIKA, the studio behind the hit films Coraline and ParaNorman, introduces audiences to a new breed of family: the Boxtrolls, a community of quirky, mischievous creatures who have lovingly raised an orphaned human boy named Eggs in the amazing cavernous home they've built beneath the streets of Cheesebridge. When the town's villain, Archibald Snatcher, comes up with a plot to get rid of the Boxtrolls, Eggs decides to venture above ground where he meets and teams up with fabulously feisty Winnie to devise a daring plan to save Eggs' family. The Art of The Boxtrolls features the amazingly detailed artwork that went into this film's creation, including character sketches, puppets, textiles, set dressing, and 3-D printed facial models, alongside the story of the film's development.

See the world of Bleach in a blast of color! This art book contains Tite Kubo's vibrant illustrations, including art from Volumes 1-19 of the series, as well as an annotated art guide and some extra character information!

The Art of Missing Link is a lushly illustrated volume that goes behind the scenes of LAIKA's new stop-motion adventure. The charismatic Sir Lionel Frost (voiced by Hugh Jackman) considers himself to be the world's foremost investigator of myths and monsters. The trouble is none of his small-minded high-society peers seems to recognize this. Sir Lionel's last chance for acceptance by the adventuring elite rests on traveling to America's Pacific Northwest to prove the existence of a legendary creature. A living remnant of Man's primitive ancestry. The Missing Link. Zach Galifianakis voices Mr. Link: the surprisingly smart, funny and soulful beast upon whom Sir Lionel's dreams depend. As species go, he's as endangered as they get; he's the last of his kind, and he's lonely. Proposing a daring quest to seek out his rumored distant relatives, he enlists Sir Lionel's help in an odyssey around the world to find the fabled valley of Shangri-La. Together with Adelina Fortnight (voiced by Zoe Saldana), an independent and resourceful adventurer who possesses the only known map to the group's secret destination, the unlikely trio embarks on a

riotous rollercoaster of a ride. Along the way, our fearless explorers encounter more than their fair share of peril, stalked at every turn by dastardly villains seeking to thwart their mission. Through it all, Mr. Link's disarming charm and good-humored conviction provide the emotional and comedic foundation of this fun-filled family film. From LAIKA, the animation studio behind the Academy Award-nominated Kubo and the Two Strings, Missing Link is a stunning stop-motion epic and raucous comedy. Featuring concept art from the film's creation—including sketches, storyboards, character designs, and much more—and illuminated by in-depth interviews with the film's creative team, The Art of Missing Link is a must-have companion to the film.

From an adventurous balloon ride above the clouds to a monster-filled metropolis, Academy Award®-winning director Pete Docter ("Monsters, Inc.," "Up") has taken audiences to unique and imaginative places. In Disney•Pixar's original movie "Inside Out," he will take us to the most extraordinary location of all—inside the mind. Growing up can be a bumpy road, and it's no exception for Riley, who is uprooted from her Midwest life when her father starts a new job in San Francisco. Like all of us, Riley is guided by her emotions - Joy, Fear, Anger, Disgust, and Sadness. The emotions live in Headquarters, the control center inside Riley's mind, where they help advise her through everyday life. As Riley and her emotions struggle to adjust to a new life in San Francisco, turmoil ensues in Headquarters. Although Joy, Riley's main and most important emotion, tries to keep things positive, the emotions conflict on how best to navigate a new city, house and school. In this groundbreaking and illuminating film, Pixar Animation Studios examines the extraordinary depths of the mind and the powers of emotion and imagination. The Art of Inside Out provides an exclusive look into the artistic exploration that went into the making of this vibrant film. Featuring concept art—including sketches, collages, color scripts, and much more—and opening with a foreword by actress Amy Poehler and introduction by the film's writer and director Pete Docter, this is the ultimate behind-the-scenes experience of the making of this landmark film.
