The Bell Bandit (The Lemonade War, #3) by Jacqueline Davies Everything about this trip to Grandma ' s house was different: First, because of the fire, Mrs. Treski, Evan, and Jessie had driven up to Grandma ' s two days after Christmas instead of the day before, missing Christmas with Grandma entirely. Second, the fire had left a hole in the back kitchen wall big enough to drive a car through!

This fascinating picture book biography from beloved author of the Lemonade War series Jacqueline Davies and Caldecott honor–winning illustrator Melissa Sweet chronicles the life of scientist John James Audubon, who pioneered a technique essential to our understanding of birds thanks to his lifelong love for the species. If there was one thing James loved to do more than anything else, it was to be in the great outdoors watching his beloved feathered friends. In the fall of 1804, he was determined to find out if the birds nesting near his Pennsylvania home would really return the following spring. Through careful observation, James laid the foundation for all that we know about migration patterns today. Capturing the early passion of this bird-obsessed young man as well as the meticulous study and scientific methods behind his research, this lively, gorgeously illustrated biography will leave young readers listening intently for the call of birds large and small near their own home.

Here is a clever blend of humor, math wizardry, and business know-how. As it captures the one-of-a-kind bond between brother and sister, this poignant novel also subtly explores how arguments can escalate beyond anyone ' s intent. For a full hour, he poured lemonade. The world is a thirsty place, he thought as he nearly emptied his fourth pitcher of the day. And I am the Lemonade King. Evan Treski is people-smart. He ' s good at talking with people, even grownups. His younger sister Jessie, on the other hand, is math-smart—but not especially good at understanding people. She knows that feelings are her weakest subject. With just five days left of summer vacation, Evan and Jessie launch an all-out war to see who can sell the most lemonade before school starts. As the battleground heats up, there really is no telling who will win—and even more important, if their fight will ever end.
