Steven Brust ' s first three novels featuring assassin Vlad Taltos and his jhereg companion were collected in one volume as The Book of Jhereg. The Book of Taltos continues the adventure with books four and five in the series—Taltos and Phoenix. Vlad Taltos is an assassin unlike no other. Not only is he quick with a sword, but he also possesses a gift for witchcraft conjuring. The latest addition to his already formidable arsenal is a leathery-winged jhereg who shares a telepathic link with Vlad—making him twice as deadly... The adventures chronicled in Taltos and Phoenix find Vlad accepting a job in the Land of the Dead, but a living human being cannot walk the paths of the dead and return, alive, to the land of men. Fortunately (or unfortunately, depending on your point of view), the Demon Goddess is willing to rescue him—if Vlad is willing to grant her a favor in return...

Their haunted heritage and history have brought the Mayfair family great wealth, exercised from their New Orleans mansion, but such power no longer goes unnoticed or unchallenged. Reissue.

imaginative fantasy series that Locus praised as “entertaining and worth reading.” The Book of Athyra features books six and seven in the series—Athyra and Orca. Vlad Taltos is a sorcerer and assassin without peer—as deadly at spell casting as he is with sword wielding. Accompanying him on his journeys are two leathery-winged jhereg who share a telepathic link with Vlad—and triple his chances against even the most powerful of enemies... In Athyra, Vlad finds he’s ready to retire himself and his jhereg companions, but the biggest hitters of the House of the Jhereg have something else in mind. In Orca, Vlad must repay a debt to a boy who saved his life—even if it means breaking a financial scandal big enough to bring down the House of the Orca, and possibly the entire Empire...

Full of swordplay, peril, and swashbuckling flair, Steven Brust's Vallista is a treat for longtime fans of this popular fantasy series, a deep dive into the mysteries of Dragaera and all within it. Vlad Taltos is an Easterner—an underprivileged human in an Empire of tall, powerful, long-lived Dragaerans. He made a career for himself in House Jhereg, the Dragaeran clan in charge of the Empire’s organized crime. But the day came when the Jhereg wanted Vlad dead, and he’s been on the run ever since. He has plenty of friends among the Dragaeran highborn, including an undead wizard and a god or two. But as long as the Jhereg have a price on his head, Vlad’s life is...messy. Meanwhile, for years, Vlad’s path has been repeatedly crossed by Devera, a small Dragaeran girl of indeterminate powers who turns up at the oddest moments in his life. Now Devera has appeared again—to lead Vlad into a mysterious, seemingly empty manor overlooking the Great Sea. Inside this structure are corridors that double back on themselves, rooms that look out over other worlds, and—just maybe—answers to some of Vlad’s long-asked questions about his world and his place in it. If only Devera can be persuaded to stop disappearing in the middle of his conversations with her... Vlad Taltos Series 1. Jhereg 2. Yendi 3. Teckla 4. Taltos 5.

Okay, so maybe I've been living in the woods too long, where you can't even get a decent cup of klava first thing in the morning. So who should turn up but Lady Teldra, the courtly servant of my old friend the Dragonlord Morrolan? Teldra wants my help, because Morrolan and Alera have disappeared, and according to Sethra Lavode, it looks like they may be in the hands of the Jenoine. Do I want to mess with them? The guys who made this place? And I thought I had problems before... Oh well, what's a little cosmic battle with beings who control time and space? It's better than hunkering down in the woods without even so much as a drinkable cup of klava. In Issola, Stephen Brust delivers another swashbuckling fantasy adventure for Vlad Taltos. her abilities but oblivious to her ancient line, finds the drowned body of Michael Curry off the coast of California and brings him to life. In his brief interval of death, he has acquired a sensory power that mystifies and frightens him. Fiercely drawn to each other, Rowan and Michael set out to solve the mystery of her past and his unwelcome gift, and an intricate tale of evil unfolds: an evil unleashed in seventeenth-century Scotland, where the first “witch,” Suzanne of the Mayfair, conjures up the spirit that spells her own destruction and torments each of her descendants in turn. Praise for Anne Rice and *The Mayfair Witches* “Behind all the velvet drapes and the gossamer winding sheets, this is an old-fashioned family saga. . . . Rice’s descriptive writing is so opulent that it almost begs to be read [by] candlelight.” —*The Washington Post Book World* “[A] huge and sprawling tale of horror.” —*The New York Times Book Review* “Lush prose, dense atmosphere, steamy sex, Gothic tension . . . Rice stages her scenes in a wide variety of times and locales, tapping deeply into the richest veins of mythology and history.” —*San Francisco Chronicle* “Spellbinding . . . mythical . . . Rice is a pure storyteller.” —*Cosmopolitan* “Rice sees things on a grand scale. . . . There is a wide-screen historical sweep to the tale as it moves from one generation of witches to the other.” —*The Boston Globe* “An intricate, stunning imagination.” —*Los Angeles Times Book Review* “It is hard to praise sufficiently the originality of Miss Rice. . . . She has made a masterpiece of the morbid, worthy of Poe’s daughter.” —*The Wall Street Journal*

Vlad Taltos tells the story of his early days in the House Jhereg, how he found himself in a Jhereg war, and how he fell in love with the wonderful woman, Yendi, who killed him.
