"The Boy Detective Fails" - I'll say he does. This is a thorough-going rip-off of the Lemony Snicket books, except that it is not funny, but morose and sickly. Like many books unhelpfully influenced by magic realism, it takes place neither in the real world nor in an interestingly unreal one.

In this “charming” and melancholic novel, a former child sleuth “investigates the hard-to-crack case of Lost Innocence” (*Entertainment Weekly*). A *Chicago Tribune*, *Kirkus Reviews*, and *Booklist Book of the Year* In the twilight of a mysterious childhood full of wonder, Billy Argo, boy detective, is brokenhearted to find that his younger sister and crime-solving partner, Caroline, has committed suicide. Ten years later, Billy, age thirty, returns from an extended stay at St. Vitus’ Hospital for the Mentally Ill to discover the world full of unimaginable strangeness: office buildings vanish without reason, small animals turn up without their heads, and cruel villains ride city buses to complete their evil schemes.

Lost within this unwelcoming place, Billy befriends two lonely, extraordinary children—one a science fair genius, the other a charming, silent bully. With a nearly forgotten bravery, he experiences the unendurable boredom of a telemarketing job; encounters a beautiful, desperate pickpocket; and confronts the nearly impossible solution to his sister's case. Along a path laden with hidden clues and codes, the boy detective may learn the greatest secret of all: the necessity of the unknown. "Haunted by the mystery of his sister's death and feeling that a lapse in his sleuthing may be to blame, Billy is determined to find out the reason for her suicide and to punish those responsible . . . The story of Billy's search for truth, love and redemption is surprising and absorbing. Swaddled in melancholy and gentle humor, it builds in power as the clues pile up." —Publishers Weekly "The author gives Billy a gallery of rogues to combat and even sends him to investigate the Convocation of Evil at a local hotel ('Featured Panel: To Wear a Mask?'). Meno sets himself a complicated task, marooning his straight-arrow, pulp-fiction protagonist in a world uglier than the Bobbsey Twins ever faced but refusing to go for satire. Instead, the author takes his compulsive investigator at face value." —Kirkus Reviews, starred review "Comedic, imaginative, empathic . . . investigates the precincts of grief [and] our longing to combat chaos with reason." —Booklist

'Hairstyles' is an honest depiction of growing up punk on Chicago's south side: a study in the demons of racial intolerance, Catholic school conformism and class repression. It is the story of the riotous exploits

of Brian, a high school burnout, and his best friend Gretchen, a punk rock girl fond of brawling. Joe Meno won the 2003 Nelson Algren Literary Award and is the author of 'Tender as Hellfire' (St. Martin's, 1999) and 'How the Hula Girl Sings' (HarperCollins, 2001). His online fictional serial, 'The Secret Hand', is published through 'Playboy Magazine'. His short fiction has been published in 'TriQuarterly', 'Bridge', 'Other Voices Washington Square', and has been broadcast on National Public Radio. He lives in Chicago, and he is a columnist for 'Punk Planet' magazine.

This quirky tale of two young artists in love in 1990s Chicago is “a gorgeous little indie romance . . . A sweetheart of a novel” (Kirkus Reviews). In the last year of the twentieth century, Odile is a lovely twenty-three-year-old art-school dropout, a minor vandal, and a hopeless dreamer. Jack is a twenty-five-year-old shirker who’s most happy capturing the endless noises of the city on his out-of-date tape recorder. Together they decide to start their own art movement, in defiance of a contemporary culture made dull by both the tedious and the obvious. Set just before the end of one world and the beginning of another, this is the story of two people trying to capture a moment in the face of an uncertain future. Named a Best Book of the Year by Daily Candy and chosen as a favorite fiction work of the year in The Believer’s readers’ poll, Office Girl “reads as a parody of art-school types . . . and as a tribute to their devil-may-care spirit” (The New York Times Book Review). “Mr. Meno excels at capturing the way that budding love can make two people feel brave and freshly alive to their surroundings . . . The story of the relationship has a sweet simplicity.” —The Wall Street Journal “Meno’s tender, hip, funny, and imaginative portrayal of two Chicago misfits . . . dramatizes that anguished and awkward passage between legal age and actual adulthood.” —Booklist Features black-and-white illustrations by artist Cody Hudson and photographs by Todd Baxter.

A haunted ex-con returns to his hometown: “Fans of hard-boiled pulp fiction will particularly enjoy this novel” (Booklist). Luce Lemay is out on parole three years after an awful tragedy sent him to prison. In his small Illinois town, he does his best to find hope: in a new job at the local Gas-N-Go; in his companion and fellow ex-con, Junior Breen, who spells out puzzling messages to the unquiet ghosts of his past; and finally, in the arms of the lovely but reckless Charlene. But sorrow and violence lie in his path, in this suspenseful exploration of a country bright with the far-off stars of forgiveness and dark with the still-looming shadow of the death penalty. “A wonderful accomplishment . . . The power is in the writing. Mr. Meno is a superb craftsman.” —Hubert Selby Jr., bestselling author of *Last Exit to Brooklyn* “The author moves the story along at a surprisingly fast and easy pace.” —Kirkus Reviews “Moving . . . Meno has a poet’s feel for small-town details, life in the joint and the trials an ex-con faces, and he’s a natural storyteller with a talent for characterization.” —Publishers Weekly

Features a collection of short stories about the surreal yet dark lives of individuals considered outcasts, misfits, or peculiar to loved ones or the outside world.

From the award-winning author of *The Boy Detective Fails*: A novel of two brothers growing up on the other side of the tracks. “A trailer park in the Plains town of Tenderloin is the setting of this crusty coming-of-age debut, which features some of the liveliest characters just this side of believable that one is apt to meet in a contemporary novel. The first-person narrator is a moral but susceptible eleven-year-old called Dough, who lusts after his fifth-grade teacher and idolizes his trouble-making older brother, Pill-Bug. The boys, who are new to the town and shamed by the stigma of living in a trailer, were named

by a father who wanted them to remain tough and who ended up dying while smuggling cigarettes along a Texas highway. Their mother and her new boyfriend, French, are low-life swingers, allowing the siblings to spend nights with Val, who entertains a slew of men but whom Dough worships as a virginal Madonna. Dough's own adoring friend is Lottie, a slightly deranged girl who offers Dough a gift of one of her taxidermist father's specimens; meanwhile, Pill-Bug earns a special affection from Lunna, a high school floozy. Each character is vividly described . . . Meno's passionate new voice makes him a writer to watch." —Publishers Weekly

A New York Times Book Review Editor's Choice, this harrowing true story of two young men from Ghana and their quest for asylum highlights not only the unjust political system of their homeland, but the chaos of the United States' failing immigration system. Long before their chance meeting at a Minneapolis bus station, Ghanaian asylum seekers Seidu Mohammed and Razak Iyal had already crossed half the world in search of a new home. Seidu, who identifies as bisexual, lived under constant threat of exposure and violence in a country where same-sex acts are illegal. Razak's life was also threatened after corrupt officials contrived to steal his rightful inheritance. Forced to flee their homeland, both men embarked on separate odysseys through the dangerous jungles and bureaucracies of South, Central, and North America. Like generations of asylum seekers before, they presented themselves legally at the U.S. border, hoping for sanctuary. Instead they were imprisoned in private detention facilities, released only after their asylum pleas were denied. Fearful of returning to Ghana, Seidu and Razak saw no choice but to attempt one final border crossing. Their journey north to Canada in the harsh, unforgiving winter proved more tragic than anything they had experienced before. Based on extensive interviews, Joe Meno's intimate, novelistic account builds upon the international media

attention Seidu and Razak's story has already received, highlighting the harrowing journey of asylum seekers everywhere while adding dimension to one of the greatest humanitarian concerns facing the world.
