A testament to the enduring strength of the human spirit, family, and, above all, hope, this “vivid memoir of a woman who lost her youth and family to the Nazis” (Kirkus Reviews, starred review) is a Holocaust survival story that will be remembered for generations. As long as there is life, there is hope... After Riva’s mother was taken away by the Nazis, Riva and her younger brothers were left to cling to their mother’s brave words to help them endure life in the Lodz ghetto. "WE ARE FREE!" When Russian soldiers liberate Grafenort, the Nazi labor camp where she is a prisoner, nineteen-year-old Riva discovers that liberation doesn't mean the end of her hardship and suffering. Cold and starving, threatened with rape by the same Russian soldiers who were her

saviors, Riva makes her way to her old home in Poland, searching like so many others for family who may have survived. Strengthened by her mother's credo, as long as there is life, there is hope, and by the promise of a new love and a new life, Riva endures the long years of waiting for real freedom and a real home. Picking up where her acclaimed memoir *The Cage* leaves off, Ruth Minsky Sender has written another inspirational document of the power of hope and love over unspeakable cruelty.

In this emotional sequel to *The Cage* and *To Life*, Ruth Minsky Sender relates her struggle to build a new life in America, her battle to cope with her horrific memories of the Holocaust, and

her decision to tell her story. In an effort to teach children about the Holocaust, the author describes the impact of this horrifying event on her life and the lives of other survivors.

A forbidden gift helps two teenage girls find hope, friendship, and the will to live in this “beautifully told true story about brave young women who refused to be victims and walked out of Auschwitz with their heads unbowed” (School Library Journal). An act of defiance. A statement of hope. A crime punishable by death. Making a birthday card in Auschwitz was all of those things. But that is what Zlatka did, in 1944, for her best friend, Fania. She stole and bartered for paper and scissors,

secretly creating an origami heart. Then she passed it to every girl at the work tables to sign with their hopes and wishes for happiness, for love, and most of all—for freedom. Fania knew what that heart meant, for herself and all the other girls. And she kept it hidden, through the bitter days in the camp and through the death marches. She kept it always. This novel is based on the true story of Fania and Zlatka, the story of the bond that helped them both to hope for the best in the face of the worst. Their heart is one of the few objects created in Auschwitz, and can be seen today in the Montreal Holocaust Memorial Centre.

Paper Gauze Ballerina is a memoir of a Holocaust survivor. This book

is one person's plight to rise above the ashes of the Holocaust and become a whole and functioning human being again. It will make you aware of how a genocide and the aftermath of a genocide extends through a lifetime, and sometimes for generations to come. With the help of this book, the author ceased to remain a victim, and most of all, got rid of all her feelings of revenge, anger, and hate, bottled up from the injustices done to her during incarceration. She believes that those feelings are the major precursors to another genocide. Paper Gauze Ballerina is a must for educators to read. It is a unique book which transforms a negative experience to a positive outlook.
