From a premier fantasist and author of the Riftwar Legacy comes the first installment in an much-anticipated new series. . . . "Feist has a natural talent for keeping the reader turning the pages."—Chicago Sun-Times From the New York Times bestselling author comes a thrilling new epic of adventure and deceit set in his signature world of Midkemia. In a distant land, high among the snow-capped mountains, a peaceful nation is mercilessly put to the sword . . . yet one will survive. Little more than a boy, Talon of the Silver Hawk must carry on until, someday, he can take vengeance. Leaving the icy fastness of his ancient home, Talon descends into the dangerous land of his adversary. Treading a perilous path, he must survive battlefields, court intrigues, treacherous enemies, backstabbing friends, and beautiful yet deadly women to discover the evil responsible for the annihilation of his people.

In the mountains of Midkemia, a boy came brutally of age in blood and in terror. And now he lives for one purpose alone ... revenge! An exceptionally skilled swordsman, young Tal Hawkins was the only survivor of the massacre of his village -- rescued, recruited, and trained by the mysterious order of magicians and spies, the Conclave of Shadows. Now one of the secret society's most valuable agents, he gains entrance into the court of Duke Olasko, the bloodthirsty and powerful despot whose armies put Tal's village to the sword, by posing as a nobleman from the distant Kingdom of the Isles. But the enemy is cunning and well protected -- in league with the foul necromancer Leso Varen, dark master of death-magic -- and to gain the Duke's trust and confidence, Tal Hawkins must first sell his soul.

The New York Times bestselling author revisits his signature world of Midkemia in this first book in a new trilogy that ushers in the third, and most dramatic, Riftwar yet: the Darkwar Flight of Nighthawks picks up two years after Exile's Return as Pug, the powerful sorcerer, awakens from a nightmare that portends destruction for all of Midkemia. Disturbed by his dream, Pug calls for a convening of the Conclave of Shadows. Meanwhile, in a small town on the other side of Midkemia, two young brothers are coming of age. As they travel away from home, towards apprenticeships and adulthood, the boys are attacked by bandits and mistakenly transported to Sorcerer's Isle, the home of the Conclave of Shadows. Though they are untrained and unready, the brothers will join the powerful, mysterious Conclave to confront Midkemia's most looming evil yet—the Nighthawks, assassins feared throughout the centuries. And Pug will face his old nemesis, the evil wizard formerly known as Sidi, now Leso Varen, in a confrontation with everything at stake: his honor, his life, and the future of Midkemia.

The acclaimed master fantasist is back with more adventure, danger, magic, and intrigue in this second thrilling installment in The Darkwar Saga The Conclave of Shadows has foiled the Nighthawks' attempt to plunge the Empire of Great Kesh into civil war and now has undertaken to stamp out the Guild of Assassins, root and branch. But as the brotherhood of murder is being obliterated, Pug and his allies are confronted with an even more dire question: where is Leso Varen? They discover that the mad sorcerer has taken refuge on the world of Kelewan, among the most powerful men and women of that empire, the Magicians of the Assembly. Pug also learns that the massive hordes of the Dasati—the most vicious group of assassins he has ever known—is poised to make a joint invasion of both Kelewan and Midkemia. To save the future of both empires, Pug and the Conclave of Shadows must journey into another realm of reality, into the darkest realm they have ever encountered: the Dasati home world!
