PRINCE Harry and Meghan Markle have bagged a "most talked about" accolade despite fleeing the UK to live a "quiet life" in America. The runaway royals were officially the most tweeted about ...

Devastated when her best friend moves away, sixteen-year-old Jessica Darling feels isolated at school and at home, as she struggles to deal with her father’s obsession with her track meets, her boy-crazy peers, and her own nonexistent love life.

Second Helpings continues Megan McCafferty's New York Times bestselling series - now with a new foreword by New York Times bestselling author Rebecca Serle Jessica Darling is in her senior year of high school and things can’t seem to get worse: her best friend, Hope, still lives in another state, and the mysterious and oh-so-compelling Marcus Flutie continues to be a distraction she doesn’t need. Not to mention her parents won't get off her back about choosing a college, and her older sister’s pregnancy is causing quite a bit of drama in the Darling household. The second book in Megan McCafferty’s critically acclaimed Jessica Darling series is fun, irreverent, and shows that being a teenager is never easy (or boring). Now with a foreword from New York Times bestselling author Rebecca Serle and a new author's note from Megan McCafferty!

The third book in Megan McCafferty’s beloved, New York Times bestselling series--now with a new foreword by Rebecca Serle. Life finally seems to be going right for Jessica Darling. She escaped the New Jersey suburbs and attends Columbia University in New York City. She’s more into her boyfriend, Marcus Flutie, than ever—even if he’s at a college across the country in California. And she’s making new friends who can’t quite compete with her beloved bestie, Hope, but at least come close. If Jessica thought high school was hard, college brings a whole new set of challenges. She snagged an internship at a Brooklyn literary magazine, but will she ever fit in with the snarky staff? Can she even make it to graduation after her parents cut her off financially? And will her long distance relationship survive the pursuit by three new—and radically different—love interests? With the signature wit, cynicism and candor the series is famous for, Charmed Thirds takes readers on an unforgettable journey through Jessica Darling's hilariously complicated college years.

Now a digital feature film! I hadn't even gotten to homeroom yet and I'd already discovered five hard truths about junior high: 1. My best friend had turned pretty. 2. She didn't know it yet. 3. It wouldn't be long before she did. 4. That knowledge would change everything between us. 5. And there wasn't a thing I could do about it. It's the first day of seventh grade. Is Jessica Darling doomed for dorkdom? New York Times bestselling author Megan McCafferty's hilarious new novel will have you laughing, cringing, and cheering for Jessica Darling as she learns that being herself beats being popular, pretty & perfect any day.

At first it seems that she’s living the elusive New York City dream. She’s subletting an apartment with her best friend, Hope, working for a magazine that actually utilizes her psychology degree, and still deeply in love with Marcus Flutie, the charismatic addict-turned-Buddhist who first captivated her at sixteen. Of course, reality is more complicated than dreamy clichés. She and Hope share bunk beds in the "Cupcake"—the girlie pastel bedroom normally occupied by twelve-year-old twins. Their Brooklyn neighborhood is better suited to "breeders," and she and Hope split the rent with their promiscuous high school pal, Manda, and her "genderqueer boifriend." Freelancing for an obscure journal can’t put a dent in Jessica’s student loans, so she’s eking out a living by babysitting her young niece and lamenting that she, unlike most of her friends, can’t postpone adulthood by going back to school. Yet it’s the ever-changing relationship with Marcus that leaves her most unsettled. At the ripe age of twenty-three, he’s just starting his freshman year at Princeton University. Is she ready to give up her imperfect yet invigorating post-college life just because her on-again/off-again soul mate asks her to... marry him? Jessica has one week to respond to Marcus’s perplexing marriage proposal. During this time, she gains surprising wisdom from unexpected sources, including a popular talk show shrink, a drag queen named Royale G. Biv, and yes, even her parents. But the most shocking confession concerns two people she thought had nothing to hide: Hope and Marcus. Will this knowledge inspire Jessica to give up a world of late-night literary soirees, art openings, and downtown drunken karaoke to move back to New Jersey and be with the one man who’s gripped her heart for years? Jessica ponders this and other life choices with her signature snark and hyper-intense insight, making it the most tumultuous and memorable week of her twenty-something life.

Old flames are reignited in the fifth and final book in the New York Times bestselling Jessica Darling series. Captivated readers have followed Jessica through every step and misstep: from her life as a tormented, tart-tongued teenager to her years as a college grad stumbling toward adulthood. Now a young professional in her mid-twenties, Jess is off to a Caribbean wedding. As she rushes to her gate at the airport, she literally runs into her former boyfriend, Marcus Flutie. It’s the first time she’s seen him since she reluctantly turned down his marriage proposal three years earlier—and emotions run high. Marcus and

Jessica have both changed dramatically, yet their connection feels as familiar as ever. Is their reunion just a fluke or has fate orchestrated this collision of their lives once again? Told partly from Marcus's point of view, Perfect Fifths finally lets readers inside the mind of the one person who's both troubled and titillated Jessica Darling for years. Expect nothing less than the satisfying conclusion fans have been waiting for, one perfect in its imperfection. . . .

Growing Up Can Be Perfect in Its Imperfection The Jessica Darling series chronicles one young woman's coming-of-age in the first decade of the 21st century. Over five books and ten years, Jessica Darling fumbles her way into adulthood. She evolves from a sixteen-year-old cynic, snarking in her diary about catty cliques, unrequited crushes, and other high school indignities, into a jet-setting twenty-six-year-old urbanite searching for more meaning in her life. Through all her misadventures in high school, college, and beyond, Jessica gets long-distance support from her best friend, Hope. But it's her on-again/off-again love of her life, Marcus Flutie, who can always be counted on to complicate her life in ways that are infuriating, intoxicating, and ultimately irresistible. SLOPPY FIRSTS: Meet Jessica Darling—and fall for Marcus Flutie—in this high school comedy of many, many errors. A fresh, funny, utterly compelling fiction debut, Sloppy Firsts is an insightful true-to-life look at sixteen-year-old Jessica's predicament as she embarks on another year of teenage torment—from the dark days after her best friend, Hope, moves away through her months as a type-A personality turned insomniac to her completely mixed up feelings about Marcus Flutie, the intelligent and mysterious "Dreg" who works his way into her heart. SECOND HELPINGS: Can Jessica survive senior year without losing her mind . . . or her heart? This time, Jess is going through the social and emotional ordeal of her last year at Pineville High. Not only does the mysterious Marcus Flutie continue to distract her, but Hope still lives in another state, and she can't seem to escape the clutches of the Clueless Crew, her annoying so-called friends. To top it off, Jessica's parents won't get off her butt about choosing a college. Will Jess crack under the pressure of senioritis? CHARMED THIRDS: Jessica is in college . . . and smart girls have more fun! Jessica has finally left her hometown/hellhole for Columbia University; she's into Marcus more than ever (so what if he's at a Buddhist college in California), and she's making new friends. But Jess soon realizes that her bliss might not last. As she and Marcus hit the rocks, will she fall for her GOPunk, neoconservative RA . . . or for the hot grad student she's assisting on a summer project . . . or for the oh-so-sensitive emo boy down the hall? Will she even make it now that her parents have cut her off financially? And what do the cryptic one-word postcards from Marcus really mean? FOURTH COMINGS: Is the real world ready for Jessica Darling? At first it seems like she's living the New York City dream. She's subletting an apartment with her best friend, working for a magazine that actually cares about her psychology degree, and is still deeply in love with Marcus. But when Marcus proposes—giving her only one week to answer—Jessica must decide if she's ready to give up a world of late-night literary soirees, art openings, and downtown drunken karaoke to move back to New Jersey and be with the one man who's gripped her heart for years. PERFECT FIFTHS: Does Jessica and Marcus's journey end here? Or is it just the beginning? . . . Now a young professional in her mid-twenties, Jess is off to a Caribbean wedding. As she rushes to her gate at the airport, she literally runs into her former boyfriend, Marcus Flutie. It's the first time she's seen him since she reluctantly turned down his marriage proposal three years earlier—and emotions run high. They have both changed dramatically, yet their connection feels as familiar as ever. Is their reunion just a fluke, or has fate orchestrated this collision of their lives once again?

The first book in the beloved, New York Times bestselling series - now with a new foreword by New York Times bestselling author Rebecca Serle Jessica Darling is devastated when her best friend moves away from Pineville, New Jersey. With Hope gone, Jessica has no one she can really talk to. She doesn't relate to the boy-and-shopping obsessed girls at school, or her dad's obsession with track meets, and her mom is too busy planning big sister Bethany's lavish wedding. Jessica is lost more than ever, and her nonexistent love life is only making things worse. Fresh, funny, and utterly compelling, readers fell in love with Jessica Darling's poignant, hilarious voice and have stayed with her through her ups and downs (and her mixed-up feelings about her first love, Marcus Flutie). A modern classic, readers will be excited to return to Pineville, New Jersey and Jessica Darling's world with Sloppy Firsts. Now with a foreword from New York Times bestselling author Rebecca Serle and a new author's note from Megan McCafferty!

Is it impossible for old elementary-school friends and new junior-high friends to all get along as just, you know, friends? Good or bad, that's what I'm about to find out. Jessica Darling is finally getting the hang of seventh grade! Hosting an epic slumber party might even help to make Jessica popular...but is that what she really wants? New York Times bestselling author Megan McCafferty's It List series introduces readers to Jessica Darling, an unabashedly brainy seventh grader who tries to stay true to herself, even if it means being (totally not) cool.

Crazy teachers; best friends turning pretty overnight; "The Unbreakable Laws of Cafeteria Line Cutting".... Junior high is rough, and Jessica Darling needs help! Enter older sister Bethany and her "It List," meant to help Jessica uphold "The Darling Domination of Popularity." In Jessica Darling's It List 3, Jessica faces the potentially mortifying outcome of the Top Secret Pineville Junior High Crushability Test. Plus, she's kind of stuck in the middle, as smarties and skaters unite to collect signatures on a petition to bring back the school's annual dance. Will the dramarama of seventh grade be Jessica's downfall? Not if she can help it.
