The Complete Prose of T. S. Eliot: The Critical Edition. 8-Volume Set. T. S. Eliot. Ronald Schuchard, General Editor. At long last, T. S. Eliot's prose, together in this definitive 8-volume collection. This monumental eight-volume edition of modern literature brings together, for the first time in print, all of the vastly influential prose writings of Nobel laureate T. S. Eliot, the poet and dramatist whose theories and criticism shaped twentieth-century thought and literature around the world.

The Complete Prose of T. S. Eliot: The Critical Edition ...

Volume 1 of The Complete Prose of T. S. Eliot, Apprentice Years, 1905-1918 includes all surviving prose from Eliot's years as a student and from his first three years as a literary journalist. Spanning the most formative period in his life, the collection begins with a story composed when he was a sixteen-year-old student at the Smith Academy in St. Louis and ends with a review published when he was thirty and an established man of letters in London.

For the first time in one hardcover edition, here are three best-selling books by one of 20th century's greatest movie directors. Woody Allen is an American cultural icon -- funny, philosophical, and controversial in his work and personal life. In this side-splitting collection, containing *Without Feathers*, *Getting Even*, and *Side Effects*. the Academy Award-winning filmmaker explores subjects ranging from sleeplessness to the UFO menace. No Woolly fan will want to be without his hilarious ruminations on the moral and ethical predicaments of modern life.

From the award-winning translators: the complete prose narratives of the most acclaimed Russian writer of the Romantic era and one of the world's greatest storytellers. The father of Russian literature, Pushkin is beloved not only for his poetry but also for his brilliant stories, which range from dramatic tales of love, obsession, and betrayal to dark fables and sparkling comic masterpieces, from satirical epistolary tales and romantic adventures in the manner of Sir Walter Scott to imaginative historical fiction and the haunting dreamworld of "The Queen of Spades." The five short stories of *The Late Tales of Ivan Petrovich Belkin* are lightly humorous and yet reveal astonishing human depths, and his short novel, *The Captain's Daughter*, has been called the most perfect book in Russian literature.

First published by Odyssey Press in 1957, this classic edition provides Milton's poetry and major prose works, richly annotated, in a sturdy and affordable clothbound volume.

Thanks to her acclaimed volume of poetry and prose published in France in 1555, Louise Labé (1522-66) remains one of the most important and influential women writers of the Continental Renaissance. Best known for her exquisite collection of love sonnets, Labé played off the Petrarchan male tradition with wit and irony, and her elegies respond with lyric skill to predecessors such as Sappho and Ovid. The first complete bilingual edition of this singular and broad-ranging female author, *Complete Poetry and Prose* also features the only translations of Labé's sonnets to follow the exacting rhyme patterns of the originals and the first rhymed translation of Labé's elegies in their entirety.

Cultural Writing. Literary Criticism. Essays. These wide-ranging talks, essays, and interviews--beginning with "Why Don't Women Do Language-Oriented Writing?" and

including "Feminist Poetics and the Meaning of Clarity," "Poetic Silence," and "Cosmology and Me"--are essential documents for understanding not only Rae Armantrout's poetry and poetics but her contribution to the development of language poetry in particular and contemporary poetry in general. Like her poetry, Armantrout's prose is marked by concision, a refreshing absence of jargon, and a quizzical mind that never rests easy. COLLECTED PROSE also features True, Armantrout's illuminating autobiography, which details her early years in San Diego and Berkeley.

John Milton is, next to William Shakespeare, the most influential English poet, a writer whose work spans an incredible breadth of forms and subject matter. The Complete Poetry and Essential Prose of John Milton celebrates this author's genius in a thoughtfully assembled book that provides new modern-spelling versions of Milton's texts, expert commentary, and a wealth of other features that will please even the most dedicated students of Milton's canon. Edited by a trio of esteemed scholars, this volume is the definitive Milton for our time. In these pages you will find all of Milton's verse, from masterpieces such as Paradise Lost--widely viewed as the finest epic poem in the English language--to shorter works such as the Nativity Ode, Lycidas,, A Masque and Samson Agonistes. Milton's non-English language sonnets, verses, and elegies are accompanied by fresh translations by Gordon Braden. Among the newly edited and authoritatively annotated prose selections are letters, pamphlets, political tracts, essays such as Of Education and Areopagitica, and a generous portion of his heretical Christian Doctrine. These works reveal Milton's passionate advocacy of controversial positions during the English Civil War and the Commonwealth and Restoration periods. With his deep learning and the sensual immediacy of his language, Milton creates for us a unique bridge to the cultures of classical antiquity and medieval and Renaissance Christianity. With this in mind, the editors give careful attention to preserving the vibrant energy of Milton's verse and prose, while making the relatively unfamiliar aspects of his writing accessible to modern readers. Notes identify the old meanings and roots of English words, illuminate historical contexts--including classical and biblical allusions--and offer concise accounts of the author's philosophical and political assumptions. This edition is a consummate work of modern literary scholarship.

Brings together nearly three hundred essays and reviews, ten short stories, and more than one hundred short book reviews, notices, and highly crafted one-sentence "blurbs."

For the first time all Byron's miscellaneous prose writings are collected together, including his speeches in the House of Lords, short stories, reviews, critical articles, and Armenian translations, as well as such shorter pieces as memoranda, notes, reminiscences, and marginalia. Although some of this material has been published before - most notably in the appendices to Prothero's edition of the Letters and Journals (1898-1901) - a considerable proportion is here published for the first time. For the first time too, the prose works are presented with full scholarly apparatus. The texts are reproduced from their original manuscripts wherever these are still extant; and the notes provide an introduction to each item, detailing the circumstances of its composition, its publication history, and its historical and literary background, as well as providing comprehensive annotation of individual
