The twelve readings in this volume represent some of the best recent scholarship on the Crusades.

In this sweeping yet crisp history, the author offers a brilliant and compelling narrative of the Crusades and their contemporary relevance.

In 1095 Pope Urban II launched the First Crusade to recover Jerusalem from the Seljuq Turks. Tens of thousands of people joined his cause, making it the single largest event of the Middle Ages. The conflict would rage for over 200 years, transforming Christian and Islamic relations forever. Andrew Jotischky takes readers through the key events, focussing on the experience of crusading, from both sides. Featuring textboxes with fascinating details on

the key sites, figures and battles, this essential primer asks all the crucial questions: What were the motivations of the crusaders? What was it like to be a crusader or to live in a crusading society? And how do these events, nearly a thousand years ago, still shape the politics of today?

Riley-Smith's acclaimed book is now regarded as a classic short study. The updated fourth edition of this essential introduction features a new Preface which surveys and reviews developments in crusading scholarship, a new map, material on a child crusader, and a short discussion of the current effects of aggressive Pan-Islamism.

Culminating with the crisis precipitated by the failure of the Fourth Crusade, Madden's groundbreaking work reveals the extent to which Dandolo and his successors became torn between the anxieties and apprehensions of Venice's citizens and its escalating obligations as a Mediterranean power.

and the crusaders themselves. With a wealth of fascinating detail, Riley-Smith brings to life these stirring expeditions to the Holy Land and the politics and personalities behind them. This new edition includes revisions throughout as well as a new Preface and Afterword in which Jonathan Riley-Smith surveys recent developments in the field and examines responses to the Crusades in different periods, from the Romantics to the Islamic world today. From reviews of the first edition: "Everything is here: the crusades to the Holy Land, and against the Albigensians, the Moors, the pagans in Eastern Europe, the Turks, and the enemies of the popes. Riley-Smith writes a beautiful, lucid prose, . . . [and his book] is packed with facts and action."--Choice "A concise, clearly
