“ If anyone is going to explore a future version of our high-tech, internet-obsessed culture, please let it be Megan Angelo. Followers is pure gold. ” —Abbi Jacobson, bestselling author and cocreator of Broad City “ An intricate and brave story of friendship, ambition, and love and the lengths people will go to protect it all. ” —Booklist, **starred review** “ Spectacular... the tale skillfully builds to a terrifyingly believable climax...Angelo delivers a strong, consistently fascinating debut. ” —Publishers Weekly, **starred review** “ Endless clever details and suspenseful plotting make this speculative-fiction debut an addictive treat. ” —Kirkus Reviews, **starred review** An electrifying story of two ambitious friends, the dark choices they make and the stunning moment that changes the world as we know it forever Orla Cadden is a budding novelist stuck in a dead-end job, writing clickbait about movie-star hookups and influencer yoga moves. Then Orla meets Floss—a striving, wannabe A-lister—who comes up with a plan for launching them both into the high-profile lives they dream about. So what if Orla and Floss ’ s methods are a little shady—and sometimes people get hurt? Their legions of followers can ’ t be wrong. Thirty-five years later, in a closed California village where government-appointed celebrities live every moment of the day on camera, a woman named Marlow discovers a shattering secret about her past. Despite her massive popularity—twelve million loyal followers—Marlow dreams of fleeing the corporate sponsors who would do anything to keep her on-screen. When she learns that her whole

family history is based on a lie, Marlow finally summons the courage to run in search of the truth, no matter the risks. Followers traces the paths of Orla, Floss and Marlow as they wind through time toward each other, and toward a cataclysmic event that sends America into lasting upheaval. At turns wry and tender, bleak and hopeful, this darkly funny story reminds us that even if we obsess over famous people we ' ll never meet, what we really crave is genuine human connection.

Contains over 2,700 alphabetically arranged essays that provide information on various elements of popular culture in the United States during the twentieth century, covering the major areas of film, music, print culture, social life, sports, television and radio, and art and performance. Includes time frame, category, and title indexes.

A bestselling dystopian novel that tackles surveillance, privacy and the frightening intrusions of technology in our lives—a “ compulsively readable parable for the 21st century ” (Vanity Fair). When Mae Holland is hired to work for the Circle, the world ’ s most powerful internet company, she feels she ’ s been given the opportunity of a lifetime. The Circle, run out of a sprawling California campus, links users ’ personal emails, social media, banking, and purchasing with their universal operating system, resulting in one online identity and a new age of civility and transparency. As Mae tours the open-plan office spaces, the towering glass dining facilities, the cozy dorms for those who spend nights at work, she is thrilled with the company ’ s modernity and activity. There are parties that last through the night, there are famous musicians playing on the lawn, there are athletic activities and clubs and brunches,

and even an aquarium of rare fish retrieved from the Marianas Trench by the CEO. Mae can't believe her luck, her great fortune to work for the most influential company in the world—even as life beyond the campus grows distant, even as a strange encounter with a colleague leaves her shaken, even as her role at the Circle becomes increasingly public. What begins as the captivating story of one woman's ambition and idealism soon becomes a heart-racing novel of suspense, raising questions about memory, history, privacy, democracy, and the limits of human knowledge.

The hairstyles, slang terms, advertising jingles, pop music sensations, and all else described as popular culture is covered in this 5-vol. reference. Arranged chronologically by decade and by broad topics within each decade, *Bowling, Beatniks, and Bell-Bottoms* focuses solely on the popular culture of the century -- hairstyles, slang terms, television shows, pop music sensations, etc. -- offering more detailed information on trends and fads than any other resource. Written specifically for students in grades 5 through 12, major topics include: products and brands, toys and games, music and dance, holidays, shopping, sports, movements and much more. Also includes approximately 400 photos, a cumulative table of contents, timeline, subject and cumulative general index and trivia sidebars.

"Cullen's strength comes from his understanding of how the different strands of American society intertwine in imaginative, unpredictable ways ... The shape and vitality of pop culture's next era will depend, at least in part, on commentators like Cullen." —Washington Post Book World "A thoroughly engaging look at American culture ... Cullen's articulate prose is spiced

with wicked wit and he loves a good story ... Demonstrates a sophisticated understanding of complex cultural forces." —Publishers Weekly "Reflecting both the strengths and weaknesses of an unusually dynamic area of historical scholarship, *The Art of Democracy* is one of the best surveys of the history of American popular culture." —Journal of American History "An exceptionally well-written and engrossing introduction to the nonelitist art forms of American popular culture ... Highly recommended." —Library Journal, starred review "Should be kept on hand to restore our faith in the things that matter to us." —American Studies Popular culture has been a powerful force in the United States, resonating within the society as a whole and at the same time connecting disparate and even hostile constituencies. The novels of the late 18th and early 19th centuries, the theater and minstrel shows of the mid-19th century, movies and the introduction of television and computers in the 20th century are the building blocks that Jim Cullen uses to show how unique and vibrant cultural forms overcame initial resistance and enabled historically marginalized groups to gain access to the fruits of society and recognition from the mainstream. This updated edition contains a new preface and final chapter which traces the history of contemporary computing from its World War II origins as a military tool to its widespread use in the late 20th century as a tool for the masses. Cullen shows how the computer is reshaping popular culture, and how that culture retains its capacity to surprise and disturb. The highly acclaimed first edition of *The Art of Democracy* won the 1996 Ray and Pat Brown Award for "Best Book," presented by the Popular Culture Association.
