1903 saw The Adventure of The Empty House and the return of Sherlock Holmes to 221b Baker Street where he explains the deception of his death at the Reichenbach Falls to his faithful friend Dr John Watson. 2012 sees The Crime of The Empty House where the former home of Sir Arthur Conan Doyle, Undershaw, lies in disrepair and the threat of being destroyed forever. Commissioned by Sir Arthur Conan Doyle himself, Undershaw was witness to the creation of many of his most famous works, including The Hound of the Baskervilles and The Return of Sherlock Holmes. It is a building deserving preservation for the British nation, and indeed the world, for all time. Sadly, the building is currently under threat from the property developers who wish to divide the house into 3 separate units and build a further 5 alongside. Planning permission for development has already been approved by Waverley Borough Council. The Undershaw Preservation Trust (UPT), with Mark Gatiss (BBC Sherlock) as Patron, is dedicated to the preservation and protection of this important literary building and are campaigning to get this decision overturned, so the house can be restored to its original glory and enjoyed as the single dwelling Sir Arthur Conan Doyle intended it to be. This book is a collection of short Sherlock Holmes stories and poems written by fans from around the world in support of the Save Undershaw campaign - even the cover has been designed by fans. Royalties from the book go towards the UPT to preserve this wonderful house for future generations of Doyleans, Sherlock Holmes enthusiasts and literary fans of all kinds. More information on the Save Undershaw campaign can be found on their website: www.saveundershaw.com.

A story of contemporary Chile by one of its most prominent novelists, An Empty House depicts the dissolution of an upper-middle-class family against a chilling background of exile, return, and discovery. The stark and moving narrative suggests the enormity of the horrors perpetrated in Chile over the last decades, horrors that resonate through the culture to this day. Cecilia and Manuel accept her father’s gift of a house, in hope of repairing their unraveling marriage along with the badly scarred building. Instead, the couple’s efforts expose the horrifying truth about the building?and reveal the subtle strands of complicity, responsibility, and indifference that bind them to each other, their country, and its dark past. e With its deftly drawn characters, play of ideas, and vivid dialogue, An Empty House gives English-speaking readers a memorable portrait of Chile today: honest, brutally realistic, but with a redemptive touch of lyricism and hope.
