A lot of Shakespeare's plays tell very good stories. But they can be hard to follow because of the difficult language. This book tells eleven of the best stories from Shakespeare in modern English - so you can read them easily and enjoy them.

In 1735, five Maroon boys are ready to be initiated as warriors. They have prepared long and hard for this day, and must now pass a sequence of tests. How the boys approach this, the most important day of their lives, says much about how they will respond to the challenges ahead. When they encounter a Redcoat troop in the forest near their village, the defence of the village and surrounding Maroon communities will depend on these boys, their training, courage, and intelligence. On this occasion, their community depends on them for its survival, but their initiation as warriors also teaches them lifelong lessons about loyalty, responsibility, trustworthiness and friendship.
