This volume draws together diverse sources of information from the EIB's own reports and bulletins, as well as reports of the Us Federal Reserve Board, the IMF and OECD, together with press and journal sources to examine the history, borrowing and lending operations from 1958-1980. It also discusses some of the environmental and social effects of its lending activities. Some consideration has also been given to the bank's operations beyond EU boundaries. The book sheds light on an important EU institution which is crucial to EU member states' infrastructure, industry and economy.

The climate crisis and the COVID-19 pandemic remind us that we cannot face down our challenges alone—our solutions must be global. The European Investment Bank is at the heart of the push to turn EU policy initiatives into real development solutions on the ground. This report provides insights into our vital projects and initiatives outside the European Union, data on their impact and ideas for the future of development through a series of expert essays.

Africa is embarking upon a period in which its political, economic and social outlook will transform. The European Investment Bank is a key part of the EU toolbox that for decades has helped make the partnership between Africa and Europe stronger. We aim to maximise our potential as the EU bank, so that we can join our African partners in addressing today's critical challenges together and embrace our opportunities. This publication lays out our track record in Africa and our vision for our future partnership with the continent.

Our flagship report highlights the European Investment Bank's key contribution to combatting the COVID-19, climate change and development challenges that dominated 2020. It tells the stories of our crisis solutions. Built around 20 stories profiling 30 of our projects or programmes, the report's "Solutions" sections explain how the EU bank responded swiftly and decisively to a year of crises and laid the foundations for future innovation and growth. The stories take you through the Bank's work in innovation, infrastructure, small and medium-sized enterprises, and climate and environment inside the European Union and beyond the EU's borders.
