Doubt is familiar territory for Lee Strobel, the former atheist and award-winning author of books for skeptics and Christians. But he believes that faith and reason go hand in hand, and that Christianity is a defensible religion. In this six-session video curriculum, Strobel uses his journalistic approach to explore the most common emotional obstacles to faith in Christ. These include the natural inclination to wrestle with faith and doubt, the troubling presence of evil and suffering in the world, and the exclusivity of the Christian gospel. They also include this compelling question: Can I doubt and be a Christian? Through compelling video of personal stories and experts addressing these topics, combined with reflection and interaction, Christians and spiritual seekers will learn how to overcome these obstacles, deepen their spiritual convictions, and find new confidence that Christianity is a reasonable faith.

Kimball provides an overview of the six most common objections emerging generations have with church and Christianity along with the biblical answers to these objections and examples of how churches are facing this challenge.

Evangelism doesn't have to be frustrating or intimidating. Bill Hybels and Mark Mittelberg believe that effectively communicating our faith in Christ should be the most natural thing in the world. We just need encouragement and direction. In *Becoming a Contagious Christian*, Hybels and Mittelberg articulate the central principles that have helped the believers at Willow Creek Community Church become a church known around the world for its outstanding outreach to unchurched people. Based on the words of Jesus and flowing from the firsthand experiences of the authors, *Becoming a Contagious Christian* is a groundbreaking, personalized approach to relational evangelism. You will discover your own natural evangelism style, how to develop a contagious Christian character, to build spiritually strategic relationships, to direct conversations toward matters of faith, and to share biblical truths in everyday language. This landmark book presents a blueprint for starting a spiritual epidemic of hope and enthusiasm for spreading the Gospel.

Was God telling the truth when he said, "You will seek me and find me when you seek me with all your heart?" In *The Case for Faith*, bestselling author, journalist, and former atheist Lee Strobel turns his investigative skills to the most persistent emotional objections to belief in God--the eight "heart barriers" to faith: "Since evil and suffering exist, a loving God cannot." "Since miracles contradict science, they cannot be true" "Evolution explains life, so God isn't needed" "God isn't worthy of worship if he kills innocent children" "It's offensive to claim Jesus is the only way to God" "A loving God would never torture people in Hell" "Church history is littered with oppression and violence" "I still have doubts, so I can't be a Christian" This book is for those who may be feeling attracted to Jesus but who are faced with difficult questions standing squarely in their path. For Christians, it will deepen their convictions and give them fresh confidence in defending their faith to skeptical friends, or during the hardest of times, when they have to defend their faith to themselves in moments of doubt. Also available: *The Case for Faith* Spanish edition, kids' edition, and student edition. Plus, be sure to check out Lee Strobel's entire collection of *Case for...* books: *The Case for Christ* investigates the historical evidence for Jesus *The Case for a Creator* explores the scientific evidence for God *The Case for Grace* uncovers the "how" and "why" behind God's amazing grace . . . and more!

Building on the ideas she reveals in her book *Wait and See*, Wendy Pope explores the lives of Joseph, Moses, David, Nehemiah, Abraham and Sarah, and Noah to see how well they waited on God's promises and what we can learn from them. In the *Wait and See Participant's Guide*, we'll discover how to: trust God's ways rather than doubt His delays; look forward to the future while staying present in the present; wait with God, not on God; experience God rather than endure the delay; focus on the Person of our faith rather than the object of our wait; and push through the pause by doing what we know to do. Designed to go along with the videos in the *Wait and See Bible Study Kit*, this study is ideal for busy women--no outside homework or additional reading required!
