The Four in One Gospel of Jesus: The story of the life of our Lord and Savior Jesus Christ as it is written in the Gospels according to MATTHEW Dimitrov, Nikola D, Shelfer, Michelle: 9780990377474: Amazon.com: Books

The Four in One Gospel of Jesus: The story of the life of ...

Many have asked why there are four Gospels in the New Testament instead of just one. Though many of the same events are recorded in each Gospel, each author wrote to a different audience and emphasized a different aspect of Jesus' life. Matthew was written as a Gospel primarily for the Jewish people to prove that Jesus is the long-expected Messiah.

Why are there four Gospels instead of one?

The Four in One Gospel of Jesus is a great tool for all bible students. It gives each person a 360 degree view of events covered by the different gospel authors. As the reader is able to study each recorded event, the fullness of the historical and spiritual significance can be appreciated. Great work for all of us by the author, Nikola Dimitrov.

This Four in One is, word for word, a harmony of the four Biblical Gospels of Scripture rearranged according to the best historic scholarship into a single narrative. With no other innovation, the Bible's divinely appointed messengers of God--Matthew, Mark, Luke, and John--fully represent God and themselves in the venerable words of the King James English New Testament. This faithful Gospel book is perfect for seekers, new believers, and old scholars alike.

The Four in One Gospel of JESUS is the Four Gospels compiled chronologically and contextually, this giving the fullness of each Bible story in the Gospels. This unique material is describing the life of Jesus in its fulness, without the repetitions. It stores all facts about Jesus and comprises a full biography of Jesus Christ. It's a chronological Bible project, but also a contextual one, featuring subjects such as: Jesus in the Old Testament, the story of the birth of Jesus, Jesus life, Jesus saves, Jesus Cross, Jesus crucifixion, Jesus death, Jesus blood, Jesus tomb, Jesus resurrection, Jesus in Heaven, Jesus works, Jesus miracles, Jesus baptism, Jesus crown, Jesus call, The Jesus teaching, the Passion of Jesus, etc. It shows us how we can be walking with Jesus - the Anointed One, and how we can be servants of Jesus. The book will show You that King Jesus loves You, and will trigger our falling in love with Jesus as well. It's a one of a kind material indeed, the result of thousands of hours of work in compiling, referencing, structuring and fitting all details in this easy to read, yet, fully referenced edition of the Four Gospels of the Bible.

Read PDF The Four In One Gospel Of Jesus

The life of Jesus is at the heart of the Christian faith, and is one of the great works of Western literature. This book presents the story in a new form, more accessible than ever before. It weaves the four separate gospel accounts into one continuous story. And it presents the story in a new translation: traditional, but clear. Here the reader can find the episodes laid out in an understandable narrative sequence. The nativity at Bethlehem is followed by the visit of the wise men. And for each scene the rich details are collected from all the gospel accounts, giving a complete picture of complex events like the Sermon on the Mount or Jesus' climactic encounter with Pilate. The new language is clear as well. It is traditional scripture inconspicuously updated for modern readers, supplemented with contemporary language for difficult concepts, and using the grand and familiar language of the King James where appropriate. Low-key explanations fill in the details. Short footnotes explain the key concepts, and longer endnotes provide additional depth. This book opens the gospels to everyone--Christians who want to better understand their faith, and general readers who want to rediscover a great work of literature.

In this highly readable introduction to the Gospels, Edward Adams demonstrates how the four canonical Gospels function separately as unique accounts of Jesus' life and as narrative renditions of a shared story: the Fourfold Gospel. Building on the premise that the Gospels are ancient biographies or "lives of Jesus," Adams examines parallel Gospel passages, highlighting the similarities and differences between them. He begins by approaching the four Gospels generally, then looks at each of them individually, and finally considers six key Gospel passages to further explore the unity and plurality of the Gospels in a more focused way. Adams's lucid prose helps to make this text ideal for beginning students of the Gospels.

"For this is my blood of the new testament, which is shed for many for the remission of sins"?Matthew 26:28This verse-by-verse Orthodox Christian Commentary of the Gospel of Matthew is taken from the larger Commentary on the Entire New Testament, by Apostolos Makrakis, the teacher of Christianity. It is an original work and presents an Eastern Orthodox interpretation of the New Testament such as has never appeared in print, because it follows the author's own method of hermeneutics. The New Testament is the covenant entered into through Jesus Christ between God and believers in Christ. This Commentary on the New Testament points out the true meaning of the divine Covenant, and it exposes the misinterpretations of heterodox Christian denominations and their distortions of the terms and statements in the divine Covenant. It thus offers them a very great benefaction in that it enables them to see the opposite point of view, and, abandoning their delusion, to return to the dogmas of the united Church of the seven Ecumenical Councils, from which they originally strayed. A clear interpretation that genuinely interprets the divine words of Scripture enlightens all readers to true knowledge of the divine works, enables them to discern misinterpretations and false statements, and saves them from being led astray and from heresy and unbelief. Such is this Commentary on the Entire New Testament - one of great benefit to the learned as well as the unlearned, to those who know and those who do not know. Clarity is wise, but not unclearness, said our ancestors, who spoke to men with clearness and logic. All of the gospel and epistle books of the New Testament are therefore expounded scientifically by Makrakis for the enlightenment of the entire Christian world, in which misinterpretations and perversions of the Holy Scriptures have for many centuries kept divided and virtually at war with itself. Makrakis sheds light on many of the obscure passages and parables in the scriptures, which are

scientifically exposed, analyzed and refuted through logical interpretation of the entire New Testament.

This workbook accompanies Mark L. Strauss's *Four Portraits, One Jesus*. Following the textbook's structure, it offers readings from the Gospels, activities, and exercises designed to support the students' learning experience and enhance their comprehension of what can be known from the Gospels about the central defining subject of Christianity, Jesus of Nazareth. *Four Portraits, One Jesus* is a thorough yet accessible introduction to the four biblical Gospels and their subject, the life and person of Jesus. Like different artists rendering the same subject using different styles and points of view, the Gospels paint four highly distinctive portraits of the same remarkable Jesus. With clarity and insight, Mark Strauss illuminates these four books, first addressing their nature, origin, methods for study, and historical, religious, and cultural backgrounds. He then moves on to closer study of each narrative and its contribution to our understanding of Jesus, investigating things such as plot, characters, and theme. Finally, he pulls it all together with a detailed examination of what the Gospels teach about Jesus' ministry, message, death, and resurrection, with excursions into the quest for the historical Jesus and the historical reliability of the Gospels.

How did the Church get Matthew, Mark, Luke, and John instead of Thomas, Mary, Peter, and Judas? C. E. Hill presents evidence for how and why, despite the numerous Gospels that appeared in the earliest Christian centuries, four (and only four) Gospels came to be embraced by the Protestant, Roman Catholic, and Eastern Orthodox churches alike.

"In this very readable book Richard Burridge depicts Jesus through the four Gospel authors' distinctive portraits of him. Without bogging down readers with technical terminology, Burridge brings to bear his research comparing the Gospels with classical

Read PDF The Four In One Gospel Of Jesus

biographies and offers a clear interpretation of each Gospel author's portrait. A striking feature is his use of the ancient symbols for the Gospels - human face, lion, ox, and eagle - to represent each book's unique picture of Jesus." "This second edition incorporates the latest scholarship on the historical Jesus, a new section on how the Gospels have been read throughout history, and an expanded discussion of how to teach and preach the Gospels through the lectionary. Burrige also tackles the question of how these ancient writings bear on today's hot-button issues of unity and diversity. Four Gospels, One Jesus? will be appreciated by teachers, pastors, students, and other readers wanting to understand Jesus more fully."--BOOK JACKET.
