This book provides an in-depth look at the most well structured gospel record originally designed to address Jewish questions about Jesus but later used by the early church as a primer for new Christians.

The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave

"Ask and it will be given to you; seek and you will find; knock and the door will be opened to you." - Matthew 7:7 Asking, seeking, and knocking are three imperatives Jesus gave his disciples, and us, in order to grow fully in our Faith and be true disciples of Jesus. Scripture reading and study is an important part of that path to discipleship, and offers us opportunities... to ask - for clarity to seek - the truths of the Bible to knock - asking Christ to come into our hearts. George Martin, prolific writer on Scripture and author of *Bringing the Gospel of Luke to Life*, and *Bringing the Gospel of Mark to Life* now brings Matthew's Gospel into sharp focus in a verse-by-verse commentary. Martin gives readers the context of the first-century meaning, and what it means to us today. Reflection questions help us to apply the biblical texts to our own lives. This book is perfect for anyone who wants to learn more about the Gospel of Matthew - as well as priests, deacons, catechetical leaders, Bible study leaders, Scripture teachers or seminarians. Let George Martin bring the Gospel of Matthew to Life for you today.

enter them. When readers enter such textual worlds, which are often strange and complex, they are confronted with theological claims. With this in mind, the purpose of the Interpreting Biblical Texts series is to help dedicated students in their experience of reading and interpreting by providing guides for their journeys into textual worlds. The controlling perspective is expressed in the operative word of the title: interpreting. The primary focus of the series is not so much on the world behind the texts or out of which the texts have arisen as on the worlds created by the texts in their engagement with readers. In this volume, Donald Senior provides an up-to-date introduction to the Gospel of Matthew. The seven chapters of Part One focus on modern biblical scholarship and the interpretation of Matthew, discussing the sources and structure of the Gospel, its use of the Old Testament, its understanding of Jewish Law, its setting as a part of the mission of Christianity to the Gentiles, its Christology, its understanding of the nature of discipleship, and the community from which the Gospel originated. The six chapters of Part Two provide a structured guide to reading and interpreting Matthew's Gospel.

"The English translation at the beginning of each section is France's own, designed to provide the basis for the commentary. This adept translation uses contemporary idioms and, where necessary, gives priority to clarity over literary elegance." -- BOOK JACKET.
