NATIONAL BESTSELLER • The best-selling author of *The River* returns with a heart-racing thriller about a young man who is hired by an elite fishing lodge in Colorado, where he uncovers a plot of shocking menace amid the natural beauty of sun-drenched streams and forests. “Peter Heller is the poet laureate of the literary thriller.” —Michael Koryta, *New York Times* best-selling author of *Those Who Wish Me Dead* Kingfisher Lodge, nestled in a canyon on a mile and a half of the most pristine river water on the planet, is known by locals as “Billionaire’s Mile” and is locked behind a heavy gate. Sandwiched between barbed wire and a meadow with a sign that reads “Don’t Get Shot!” the resort boasts boutique fishing at its finest. Safe from

Download Ebook The Guide

viruses that have plagued America for years, Kingfisher offers a respite for wealthy clients. Now it also promises a second chance for Jack, a return to normalcy after a young life filled with loss. When he is assigned to guide a well-known singer, his only job is to rig her line, carry her gear, and steer her to the best trout he can find. But then a human scream pierces the night, and Jack soon realizes that this idyllic fishing lodge may be merely a cover for a far more sinister operation. A novel as gripping as it is lyrical, as frightening as it is moving, *The Guide* is another masterpiece from Peter Heller.

Superstorm Sandy sent a strong message that a new generation of urban development and infrastructure is desperately needed, and it must be designed with resilience in mind. As cities continue to face climate change impacts while growing in population, they find themselves at the center of resilience

Download Ebook The Guide

and green city solutions, yet political and budgetary obstacles threaten even the best-planned initiatives. In *The Guide to Greening Cities*, seasoned green city leaders Sadhu Johnston, Steven Nicholas, and Julia Parzen use success stories from across North America to show how to turn a green city agenda into reality. *The Guide to Greening Cities* is the first book written from the perspective of municipal leaders with successful, on-the-ground experience working to advance green city goals. Through personal reflections and interviews with leading municipal staff in cities from San Antonio to Minneapolis, the authors share lessons for cities to lead by example in their operations, create programs, implement high-priority initiatives, develop partnerships, measure progress, secure funding, and engage the community. Case studies and chapters highlight strategies for overcoming common challenges such as

Download Ebook The Guide

changes of leadership and fiscal austerity. The book is augmented by a companion website, launching with the publication of the book, which offers video interviews of municipal leaders, additional case studies, and other resources. Rich in tools, insights, and tricks of the trade, *The Guide to Greening Cities* helps professionals, policymakers, community leaders, and students understand which approaches have worked and why and demonstrates multidisciplinary solutions for creating healthy, just, and green communities.

A NATIONAL BESTSELLER A KIRKUS REVIEWS BEST BOOK OF THE YEAR "A fiery tour de force... I could not put this book down. It truly was terrifying and unutterably beautiful." -Alison Borden, *The Denver Post* From the best-selling author of *The Dog Stars*, the story of two college students on a wilderness canoe trip--a

Download Ebook The Guide

gripping tale of a friendship tested by fire, white water, and violence Wynn and Jack have been best friends since freshman orientation, bonded by their shared love of mountains, books, and fishing. Wynn is a gentle giant, a Vermont kid never happier than when his feet are in the water. Jack is more rugged, raised on a ranch in Colorado where sleeping under the stars and cooking on a fire came as naturally to him as breathing. When they decide to canoe the Maskwa River in northern Canada, they anticipate long days of leisurely paddling and picking blueberries, and nights of stargazing and reading paperback Westerns. But a wildfire making its way across the forest adds unexpected urgency to the journey. When they hear a man and woman arguing on the fog-shrouded riverbank and decide to warn them about the fire, their search for the pair turns up nothing and no one. But: The next day a man appears on the

Download Ebook The Guide

river, paddling alone. Is this the man they heard? And, if he is, where is the woman? From this charged beginning, master storyteller Peter Heller unspools a headlong, heart-pounding story of desperate wilderness survival.

The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to

Download Ebook The Guide

date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

great in your clothes and love the body you have! (edition 2, updated 9/15/2015)

The Hitchhiker's Guide to Python takes the journeyman Pythonista to true expertise. More than any other language, Python was created with the philosophy of simplicity and parsimony. Now 25 years old, Python has become the primary or secondary language (after SQL) for many business users. With popularity comes diversity—and possibly dilution. This guide, collaboratively written by over a hundred members of the Python community, describes best practices currently used by package and application developers. Unlike other books for this audience, The Hitchhiker ' s Guide is light on reusable code and heavier on design philosophy, directing the reader to excellent sources that already exist.

models, methods, and artifacts; • Focuses on not just delivering project outputs but also enabling outcomes; and • Integrates with PMIstandards+™ for information and standards application content based on project type, development approach, and industry sector.

Imagine lifelong happiness, the sort of happiness that's so rock solid it's not affected by the events going on around you. If that sort of happiness has slipped through your fingers in the past, you're in the right place. Join Christine Bradstreet as she guides you through healing your life and unlocking the secrets to growing genuine, lifelong happiness. As you read *Happy Ever After*, expect to grow the type of happiness that's felt out of reach for you until now. If you already consider yourself a somewhat happy person, expect to move on to deeper and more permanent happiness with this book.

Download Ebook The Guide

As you read the book and go through its steps, you'll spark a flame beneath your inner happiness. It's the happiness that resides within you, even if you don't feel it today, and even if you've never felt it before. Like fog lifting, your true happiness is going to re-emerge. Dr. Bradstreet will guide you to set a strong foundation for personal growth. You'll learn to see yourself and others differently as you expand your understanding of your true spiritual nature. You'll resolve and heal your past. You'll uncover the reasons behind your unhappiness and the things that aren't working in your life. And, you'll learn to recognize the thoughts, habits, and beliefs that have been sabotaging your happiness until now. There are universal divine principles of happiness, and you'll learn to put them to use in your life. Finally, use the section of actionable happiness hacks to awaken your happiness each day. Also

A moment of contemplation in a frantic world to allow your heart to sing and spirit to soar!

NACTO's *Urban Bikeway Design Guide* quickly emerged as the preeminent resource for designing safe, protected bikeways in cities across the United States. It has been completely re-designed with an even more accessible layout. The Guide offers updated graphic profiles for all of its bicycle facilities, a subsection on bicycle boulevard planning and design, and a survey of materials used for green color in bikeways. The Guide continues to build upon the fast-changing state of the practice at the local level. It responds to and accelerates innovative street design and practice around the nation.
