Since this guitar had a low repair budget, I decided to replace the broken pearls with inlays made of “pearloid” pickguard material instead of pearl. The pearloid is flexible and will bend to the 9.5” fretboard radius if I used the shop-made attachment for a Dremel tool base that can rout a pocket with a radiused bottom.

guitar, or even play bass guitar, you can learn guitar set up and maintenance for yourself with this top-selling guitar repair book. After years of successful workshops and group guitar setup classes, led by the Canadian guitar tech & educator Jonny Blackwood, this guitar setup guide has been tweaked and refined to simplistic perfection, in keeping true to the testament that less sometimes is more. After all, there are some excellent in-depth guitar repair luthier books on the market, but that's not what you're after when you just want to lower the string height, adjust the truss rod, and/or set the intonation. This book is written for beginners as an introduction to guitar setup and maintenance, for those who cannot attend our guitar setup classes in person, and for those who want to understand their instrument inside and out.
