The Heart of the Matter (1948) is a novel by English author Graham Greene. The book details a life-changing moral crisis for Henry Scobie. Greene, a former British intelligence officer in Freetown, British Sierra Leone, drew on his experience there.

The Heart of the Matter - Wikipedia

Stripped down to the religious elements of this film, "The Heart of the Matter" doesn't sound like much. But it has a very high resonance if you're Catholic, suicide is the unforgivable sin, you can't go to communion unless you've been to confession, etc. Trevor Howard gives a very profound performance as a man who has lost everything except his religion and who describes hell as eternal wanting.

The Heart of the Matter (1953) - IMDb

The Heart of the Matter-- a title which probably sprang to mind in an instant -- is an example of art and medicine coming together to both inform and provoke wonder. For anyone who has a heart, here's a fascinating exhibition at Great North Museum: Hancock; The exhibition, with 3D models of the organ and a triple screen animation, focuses on the intricacy of the human heart

Don Henley - Heart Of The Matter Lyrics | MetroLyrics

"Heart of the Matter" is a study of personal interior conflicts and finally the unbearable anguish of a difficult marriage that does not end happily. The pressures of colonial life and the mental and geographical isolation that some officers and officials experienced are enacted by Howard with an uncomfortable realism, so that at the end of the film, even knowing the outcome the tragedy still has an impact.

To the heart of the matter But everything changes And my friends seem to scatter But I think it's about... Forgiveness Forgiveness Even if, even if, you don't love me anymore There are people in your life who've come and gone They let you down, you know they hurt your pride You better put it all behind you baby; cause' life goes on

Don Henley - The Heart Of The Matter lyrics | LyricsFreak

After Jesus' ascension into heaven, when the disciples wanted to choose someone to replace Judas Iscariot, they asked God, "Lord, you know everyone's heart. Show us which of these two you have chosen" (Acts 1:24). Matthias was chosen just as King David had been: for his heart. God knows my thoughts, desires, plans, and ambitions.

### THE EAGLES - THE HEART OF THE MATTER LYRICS

The title song Heart Of The Matter is a slow ballad. ; it lacks the skillful songwriting of Eyes That See in the Dark, his best album (in either the pop or country idiom), and the singles aren't nearly as good as those he had at the turn of the '80s, but they are sturdy and consistent, making this a very pleasant listen. Découvrez toutes les promotions CD & ... Albums. The Gambler by Kenny ...

"Giffin excels at creating complex characters and stories that ask us to explore what we really want from our lives."--Atlanta Journal-Constitution Tessa Russo is the mother of two young children and the wife of a renowned pediatric surgeon. Despite her own mother's warnings, Tessa has recently given up her career to focus on her family and the pursuit of domestic happiness. From the outside, she seems destined to live a charmed life. Valerie Anderson is an attorney and single mother to six-year-old Charlie--a boy who has never known his father. After too many disappointments, she has given up on romance--and even to some degree, friendships--believing that it is always safer not to expect too much. Although both women live in the same Boston suburb, the two have relatively little in common aside from a fierce love for their children. But one night, a tragic accident causes their lives to converge in ways no one could have imagined. In alternating, pitch-perfect points of view, Emily Giffin's Heart of the Matter creates a moving, luminous story of good people caught in untenable circumstances. Each being tested in ways they never thought possible. Each questioning everything they once believed. And each ultimately discovering what truly matters most.

Former senator Carl Levin ' s memoir is a demonstration of the value of pragmatism, empathy, and compromise.

An eye-opening and heroic story of pioneering heart surgeons, structured around eleven operations. For thousands of years the human heart remained the deepest of mysteries; both home to the soul and an organ too complex to touch, let alone operate on. Then, in the late nineteenth century, medics began going where no one had dared go before. The following decades saw the mysteries of the heart exposed, thanks to pioneering surgeons, brave patients and even sacrificial dogs. In eleven landmark operations, Thomas Morris tells us stories of triumph, reckless bravery, swaggering arrogance, jealousy and rivalry, and incredible ingenuity: the trail-blazing ' blue baby ' procedure that transformed wheezing infants into pink, healthy children; the first human heart transplant, which made headline news

around the globe. And yet the heart still feels sacred: just before the operation to fit one of the first artificial hearts, the patient's wife asked the surgeon if he would still be able to love her. *The Matter of the Heart* gives us a view over the surgeon's shoulder, showing us the heart's inner workings and failings. It describes both a human story and a history of risk-taking that has ultimately saved millions of lives.

How do we access the authentic self in order to live fulfilling, meaningful lives? In straightforward terms, *The Heart of the Matter: Gifts in Strange Wrapping Paper* explains a simple but extraordinarily powerful technique called the See, Feel, Hear Challenge that enables people to easily gain entry into the storehouse of their subconscious core beliefs. In the process, it cracks the coded messages that those beliefs release in the form of disease, suffering, addictions, unhappy relationships, and victimized circumstances. Based in the latest findings in neuroscience and neurocardiology, this book guides readers to an uncomplicated understanding of the astounding power of our emotions and how life automatically delivers experiences that trigger negative reactions that subconsciously impact us. These emotions form the foundation of core beliefs that create unhealthy attitudes and dis-ease patterns that keep us from experiencing the authentic, satisfying lives we desire. Using clear examples and true stories from clients, Dr. Weissman's latest work demonstrates how we can release these stored emotions and their wisdom via the See, Feel, Hear Challenge. It then explains how to use this simple method to evoke feelings that positively impact the quantum field, remolding our bodies, minds, and everyday lives into purposeful expressions of inner joy and radiant well-being. Whether you're dealing with addictions, dysfunctional relationships, or illness, or are focused on becoming an Olympic champion, *The Heart of the Matter* gives you a potent tool for positive change and transformation that you can use for the rest of your life.

WITH AN INTRODUCTION BY JAMES WOOD Scobie, a police officer serving in a war-time West African state, is distrusted, being scrupulously honest and immune to bribery. But then he falls in love, and in doing so he is forced to betray everything he believes in, with drastic and tragic consequences.

Cling to life-changing truths anchored in Scripture with *Heart of the Matter*, a CCEF daily devotional containing 366 selections. This devotional will reorient your day, lifting your eyes toward God through brief messages of gospel hope. Change that goes deeper than the surface of our lives happens as we daily remember the truths of the gospel. Every day we need to be reminded that Jesus, God's own Son, came to this world to save us from sin, sorrow, and death. We need to remember every day how Jesus's life, death, resurrection, ascension, and promised return change the way we view ourselves and others. In these daily reflections, readers are invited to consider the profound wisdom found in the Bible, deepening their experiences with the living God and his redemptive work in their lives. In these shared practical insights, men and women will find the gospel in the midst of our emotions, thoughts, actions, and relationships, grasping consistent gospel application. *Heart of the Matter* will be your next treasure. Use it to begin each day with inspiration based on Scripture, free from psychological jargon, and encourage the people around you.

lowering the risks of heart disease — this plan links high cholesterol and Chlamydia as risk factors and lays out a program to combat both. We are on the cusp of an enormous breakthrough in preventing heart attacks – forever. We are in the same place we were just before penicillin revolutionized the treatment of infectious disease, before fluoride eradicated tooth decay, and just before the polio vaccine brought that disease under control in this country. In *The Heart of the Matter*, Dr. Peter Salgo, the associate director of the Open Heart ICU at New York Presbyterian Hospital, offers a simple formula to treat people before they get sick, which in turn will prevent heart attacks before they occur. For the first time in history, we know what really causes heart attack. And that knowledge has led Dr. Salgo to this amazingly simple and straightforward program that will save millions of lives. Dr. Salgo recommends using statins, antibiotics, and aspirin to prevent coronary heart disease. This groundbreaking book also offers a self–test that readers can take to assess their own personal risk for heart disease. *The Heart of the Matter* is the beginning of a change in the treatment of heart disease. It introduces a preventative program that includes traditional diet and exercise guidelines as well as a blanket recommendation that adults, even many young adults, incorporate medicines into the on–going pursuit for health and longevity – something that, until now, seemed impossible to many. Now, without using a lot of indecipherable medical jargon, this invaluable new guide will show you exactly how to attain that longer, healthier life that so many people wish for.
