Qabbalistic Magic: Talismans, Psalms, Amulets, and the Practice of High Ritual. The Qabbalah--the Jewish esoteric tradition--is richly woven with magical practices, from amulets and magic bowls to invocations and magical use of psalms. In this comprehensive and practical guide to Qabbalistic magic, Salomo Baal-Shem explains how to authentically perform rituals from the Qabbalistic tradition.

A comprehensive study of the use of talismans and amulets in the Western Mystery Tradition • Provides an in-depth look at the medieval and Renaissance use of amulets and talismans, including the work of Agrippa, Albertus Magnus, and Athanasius Kircher • Provides a full summary of the magical knowledge required to make an amulet or talisman, including the invocations required to activate their powers • Reviews different kinds of amulets and talismans, from ancient jewelry and magical objects to the modern rabbit ' s foot or lucky horseshoe The use of talismans and amulets stretches back nearly to the dawn of man, from everyday items magically prepared, such as horns or coins, to intricate and beautiful jewelry imbued with protective powers. Drawing on his private collection of medieval manuscripts as well as his privileged access to the rare book archives of major European universities, Claude Lecouteux provides a comprehensive history of the use of talismans and amulets for protection, healing, and divine influence. He explores their use in the Western Mystery Tradition as well as Eastern and Middle Eastern beliefs about these magical objects and their incorporation--despite Church anathema--into the Christian tradition of Medieval Europe. Reviewing many different kinds of amulets and talismans used throughout the ages, such as a rabbit ' s foot, horseshoe, gris-gris bag, or an inscribed parchment charged through ritual, he details the principles and symbology behind each object and shows that their use is still as widespread today as any time in the past. Lecouteux explains the high magic behind the hermetic art of crafting amulets and talismans: the chains of sympathy, astrological geography, and the invocations required to activate their powers. He explores the work of adepts such as Agrippa, Albertus Magnus, and Athanasius Kircher, including an in-depth look at Kircher ' s work on planetary seals in his Oedipus Aegyptiacus. Illustrated throughout with period art depicting magical symbols, seals, and a wide array of talismans and amulets, this comprehensive study provides a practical guide to the historical development and step-by-step creation of magical objects.

A comprehensive guide to practicing the magic of the Qabbalah • Spells for everyday problems related to health, love, prosperity, and protection • Rituals for advanced high-level magic, such as invocation of angelic powers or spiritual vision • Explains how to make and design talismans, amulets, and magic bowls, including harnessing the power of Hebrew letters in their designs • Details the magical uses of 150 psalms The Qabbalah--the Jewish esoteric tradition--is richly woven with magical practices, from amulets and magic bowls to invocations and magical use of psalms. In this comprehensive and practical guide to Qabbalistic magic, Salomo Baal-Shem explains how to authentically perform rituals from the Qabbalistic tradition. The spells and rituals included range from basic " everyday " magic for health, prosperity, love, protection, and prophetic dreams to advanced high-level magic such as invoking the highest angelic powers or creating an astral life-form, or Golem. Revealing the occult teachings of the 4th-century Book of the Mysteries, the magical uses of 150 psalms, and how to harness the power of Hebrew letters in talisman designs, the author also shows you how to contact the Maggid, or Divine inner teacher, or attain the spiritual vision of the Merkabah. A thoroughly accessible guide to the magic of the Qabbalah, this book also covers the underlying spiritual principles and history of these powerful magical practices.

Examine the infinite variety of charms and fetishes found in every civilization, from the distant past to the present. Learn the entire history of these tools, their geography, how they are part of each man and woman's search for connection with spiritual forces, and how to make and use them. Loaded with hundreds of illustrations, this is the ultimate reference guide.

Includes information on what talismans are and how they work; a brief history of talismans in the Western Magical tradition; how to use names of power, angels, magical languages, and color magic; how to draw talismans, consecrate them, and even destroy them.

An extensive study of ancient books of magic and the magical practices preserved in the few surviving grimoires • Includes spells, talisman formulations, and secret magical alphabets reproduced from the author ' s private collection of grimoires, with instructions for their use • Explains the basic principles of medieval magic, including the doctrine of names and the laws of sympathy and contagion • Offers an overview of magic in the Western Mystery tradition Grimoires began simply as quick-reference " grammar books " for sorcerers, magicians, and priests before evolving into comprehensive guides to magic, complete with spell-casting rituals, magical alphabets, and instructions to create amulets and talismans. With the advent of the printing press, some grimoires were mass produced, but many of the abbreviations were misinterpreted and magical words misspelled, rendering them ineffective. The most powerful grimoires remained not only secret but also heavily encoded, making them accessible only to the highest initiates of the magical traditions. Drawing on his own private collection of grimoires and magical manuscripts as well as his privileged access to the rare book archives of major European universities, Claude Lecouteux offers an extensive study of ancient books of magic and the ways the knowledge within them was kept secret for centuries through symbols, codes, secret alphabets, and Kabbalistic words. Touching on both white and black magical practices, he explains the basic principles of medieval magic, including the doctrine of names and signatures, mastery of the power of images, and the laws of sympathy and contagion. He gives an overview of magic in the Western Mystery tradition, emphasizing both lesser-known magicians such as Trithemus and Peter of Apono and famous ones like Albertus Magnus and Hermes Trismegistus. Creating a universal grimoire, Lecouteux provides exact reproductions of secret magical alphabets, symbols, and glyphs with instructions for their use as well as an illustrated collection of annotated spells, rituals, and talismans for numerous applications including amorous magic, healing magic, and protection rites. The author also examines the folk magic that resulted when the high magic of the medieval grimoires melded with the preexisting pagan magic of ancient Europe.

According to Chic & Sandra Tabatha Cicero, the tarot is much more than a collection of symbolic images—it's a vibrant ecosystem of interconnected energies and entities. In this groundbreaking approach to tarot, they introduce how these powerful cards can be magically transformed into talismans and amulets. Part one of this book explores the nature of talismans and amulets, how magic works, the role of the divine in magic, and magical ethics. The specific energies and talismanic/amuletic uses of each card are described, along with its magical correspondences—spanning elemental, astrological, and Qabalistic qualities. Part two is devoted to "tarot angels" and invoking these divine energies, including how to use the Golden Dawn method, known as telematic magic. Ritual card spreads, consecration rites, and step-by-step examples demonstrate how to use magical talismans to get a promotion, gain psychic talent, promote healing, mend a broken friendship, enhance magic skills, and more.

Saint Christopher medals, ankhs, birthstones, four-leaf clovers—all are examples of magical objects used for protection or to attract good luck. This introductory guidebook tells you everything you need to know to make or find talismans, amulets, and charms, and use them to improve your life. Author Richard Webster shows you how to create, charge, purify, and empower your own personal magical objects for a variety of purposes, from attracting love to attaining wealth. With protective amulets from around the world and a dictionary of lucky charms, this easy-to-use book is designed so even absolute beginners can achieve success with their own magical objects. ?

First surfacing in France in the 18th century, The Black Pullet is a guide to the construction and use of magical talismanic rings. With the use of these rings, people attained extraordinary powers. Perhaps the most wonderful secret revealed is the power to produce the Black Pullet, otherwise known as the "Hen with the Golden Eggs." Unlimited wealth was granted to the person who achieved the creation of this incredible Hen. *Includes complete instructions for creating the Black Pullet.

Practical Magic techniques of the Golden Dawn revealed! Founded in 1888, by legendary magicians Wynn Westcott and S.L. MacGregor Mathers, the Golden Dawn has been a major influence on the development of Western Magic. Although the material which inspired adepts such as Alistair Crowley and W.B Yeats has been available, until now there has been little explanation as to how this group performed its rites of ritual magic. Now at last Pat Zalewski, himself an adept within the Golden Dawn system, has revealed secrets that have never before been published or which were only communicated orally to a handful of select pupils. For years people have known that the Golden Dawn adepts could summon spirits so that they could be seen, but no one could explain how they did it. Likewise their techniques of manufacturing and empowering talismans were a closely guarded secret until now. In this book readers will learn the secrets of evocation and how to make Talismans of Power. This book is a very valuable tool into understanding the practical considerations of Golden Dawn ritual magick at its best. The book is a must for serious Golden Dawn students.
