when she operated in secret, to more recent times, after the media discovered her amazing abilities. "I've started horses since I was 12 years old and have been bit, kicked, bucked off and run over. I've tried every physical means to contain my horse in an effort to keep from getting myself killed. I started to realize that things would come much easier for me once I learned why a horse does what he does. This method works well for me because of the kinship that develops between horse and rider. " --Buck Brannaman  
In THE FARAWAY HORSES, Brannaman shares his methods for training and provides a behind-the-scenes glimpse of Robert Redford's movie The Horse Whisperer, for which he was the technical advisor.
