In the Land of the Hustlers, Caudillos, and Charlatans is a collection of short stories based on actual events, historical figures, and personalities that

File Type PDF The Hustlers

illustrate the colorful culture and unforgettable landscape that surrounds The Dominican Republic. In his second work of fiction, Luis Reynoso shares his talent for creating an eclectic group of characters that

File Type PDF The Hustlers

each shares a compelling story. In the first tale, Seor Camilo is a quirky old man who chooses an antique wheelchair over one that can fly and opts out of a lonely life for the company of three women who ultimately

File Type PDF The Hustlers

send him on an outrageous trip out of the only world he has ever known. In another story, Amado Pueblas stares into a bottle of rum while facing a cancer diagnosis and realizes he is destined to become the thing

File Type PDF The Hustlers

he fears the most. While a superstitious elderly woman makes a pilgrimage to save her granddaughters life and inspires an entire nation in the process, a son recounts his fathers youthful years during the last days of his

life. In this eclectic collection, Luis Reynoso speaks with an original voice through each tale that will prove endearing to all who love a short story.

A dynamic, game-changing

guide to finding success and fearlessly outsmarting the system Too often we feel like underdogs fighting a system that stacks the odds against us. We work hard, follow the rules, and dream of a better life. But these

File Type PDF The Hustlers

days, working harder doesn't always lead to fulfillment. In fact, according to Gallup research, nearly 90 percent of people feel disconnected from their jobs. So how do you break free from the drudgery and achieve more

File Type PDF The Hustlers

success on your own terms?
You hustle. The secret lies
in making manageable tweaks
and placing small bets on
pursuits that propel you
from who you are today to
the person you're destined
to become. In Hustle, Neil

- Why you must own your dreams, not rent dreams from others •

Ways to create your own luck and “POP” • How to betray yourself to stay true to yourself--and develop your potential • The four major career hustles and the path that's best for you More than just an inspirational

As any traveler knows, some

File Type PDF The Hustlers

of the best and most honest conversations take place during car rides. So, when a long-time NPR correspondent wanted to learn more about the real China, he started driving a cab--and discovered a country amid

File Type PDF The Hustlers

seismic political and economic change.

China--America's most important competitor--is at a turning point. With economic growth slowing, Chinese people face inequality and uncertainty

File Type PDF The Hustlers

as their leaders tighten control at home and project power abroad. In this adventurous, original book, NPR correspondent Frank Langfitt describes how he created a free taxi service--offering rides in

File Type PDF The Hustlers

exchange for illuminating conversation--to go beyond the headlines and get to know a wide range of colorful, compelling characters representative of the new China. They include folks like "Beer," a

File Type PDF The Hustlers

slippery salesman who tries to sell Langfitt a used car; Rocky, a farm boy turned Shanghai lawyer; and Chen, who runs an underground Christian church and moves his family to America in search of a better, freer

New York Times bestselling
author Jefferson Bethke
delivers a call to resist
our cultural worship of

File Type PDF The Hustlers

connectivity and achievement before we lose the essentials that make us distinctly and deeply human. Our culture makes constant demands of us. Do more. Accomplish more. Buy more. Post more. Tweet more. And

File Type PDF The Hustlers

in following those demands,
we have indeed become
more--more anxious, more
tired, more hurt, more
depressed, more frantic.
What we are doing isn't
working because, Jefferson
Bethke argues, we have

File Type PDF The Hustlers

forgotten the fundamentals that make us human, the things that anchor our lives, providing us with roots and meaning. In this highly anticipated new book, Jefferson Bethke delivers a wake-up call to resist our

File Type PDF The Hustlers

culture and embrace the slowness of Jesus. To stop doing and start becoming by proactively setting up boundaries in our lives and cultivating disciplines within them. He shows his readers how to find

File Type PDF The Hustlers

landmarks, anchors, and rhythms that provide depth and meaning and that push back against the demands of contemporary life. And he reveals that what the world teaches us to avoid at all costs--things such as

File Type PDF The Hustlers

silence, obscurity,
solitude, and
vulnerability--are the very
things that can give us the
meaning, depth, order, and
the richness we are truly
looking for.

The author became interested in male prostitution while researching populations susceptible to AIDS. He found such a population in
