Inside Job is a 2010 American documentary film, directed by Charles Ferguson, about the late-2000s financial crisis. Ferguson, who began researching in 2008, says the film is about "the systemic corruption of the United States by the financial services industry and the consequences of that systemic corruption". In five parts, the film explores how changes in the policy environment and banking practices helped create the financial crisis. Inside Job was acclaimed by film critics, who praised its

Leaders work hard to succeed, but often at the cost of their own souls. Stephen W. Smith helps leaders set aside the life-draining values of power and position and instead explore the life-giving qualities of building character. There is a better way to live than the craziness of our driven world. This is your invitation to journey inside and do the work within your work.

Hale, who turned double-agent against the corrupt spy organization he was raised in, knows his super-spy parents can't come home until the Sub Rosa Society is neutralized--and that he and his friends are all that's standing between SRS and their worldwide crimes. So Hale wants to hit the bad guys where it hurts: their bank account. Hale and his allies all travel to Switzerland and discover that this won't be a smash-and-grab job like they expected. SRS doesn't have any actual money that can be taken--it's all hidden in secret digital accounts. Oh, and some super heavy gold bars. To take them down, Hale's crew will have to undo SRS's crimes and get to the inside man at the bank, all while artfully evading SRS's notice. There's plenty of action, a big fluffy show dog, a nefarious clown, and, as readers expect from this series, all kinds of comedic, high-stakes adventure.

Based on explosive interviews, court documents and corporate archives, Inside Job traces in gripping detail how decades of deregulation gave birth to a predator nation, with power players cycling through positions in government, academia and Wall Street - and continuing to do so even in the wake of the global financial crisis. With stunning clarity, Charles Ferguson delivers an uncompromising accounting of how a new economic oligarchy has wrested control of our politics and the prospects for real recovery.

From national bestselling author and humanitarian Zainab Salbi, a powerful look at what happens when we heal our shadows and align with our core values. "May this book help create bridges to a much bigger and kinder world." —Gloria Steinem, author of *My Life on the Road* and *Revolution from Within* "If you want to know what true self-power is, then read this book. It will open your inner eye to the beauty of your own being." —Deepak Chopra, MD, author of *The Healing Self* and *The Seven Spiritual Laws of Success* How can we transform our collective fear and the deep divisions between us into meaningful change? In *Freedom Is an Inside Job*, bestselling author, humanitarian, and TV personality Zainab Salbi shares that to transform our outer world, we must turn towards our inner world. After years of working as a successful CEO and change-maker, Salbi realized that if she wanted to confront and heal the shadows of the world, she needed to face her own shadows first. Holding nothing back, Salbi shares pivotal moments from her personal life alongside poignant and fascinating stories from her encounters around the world. Through her stories, we learn that if we want to create real change, we need to heal the inconsistencies within our own values, actions, and goals. As Salbi explores her own riveting journey to wholeness, readers learn how embarking on such a journey enables each of us to create the world we want to live in. "So long as we are conflicted within, we will continue to have conflict without," writes Salbi. "If we want to change the world, we need to begin with ourselves. This is the path to freedom."

New York Times Bestseller: A history of the S&L scandal that caused a financial disaster for American taxpayers: "Hard to put down" (Library Journal). For most of the 20th century, savings and loans were an invaluable thread of the American

economy. But in the 1970s, Congress passed sweeping financial deregulation at the insistence of industry insiders that allowed these once quaint and useful institutions to spread their taxpayer-insured assets into new and risky investments. The looser regulations and reduced federal oversight also opened the industry to an army of shady characters, white-collar criminals, and organized crime groups. Less than 10 years later, half the nation's savings and loans were insolvent, leaving the American taxpayer on the hook for a large hunk of the nearly half a trillion dollars that had gone missing. The authors of Inside Job saw signs of danger long before the scandal hit nationwide. Decades after the savings and loan collapse, Inside Job remains a thrilling read and a sobering reminder that our financial institutions are more fragile than they appear.

An Inside Job is a gripping story of life as a chaplain inside Lincoln prison, a local jail opened in 1872. Joy Osborne writes from the heart with sensitivity and passion. The reader is drawn into a world which is generally unknown to the public. Following theological training, Joy felt God calling her beyond the church building to work inside the prison walls with some of the country's most prolific offenders. She shared in the lives of those shunned by society and saw beyond crimes committed to the person's humanity. Inside the busy jail, it was often ministry on the 'hoof', responding to an immediate crisis. Being ready with a listening ear, advice, compassion, an offer of help and prayers when requested were just part of a busy day. The challenges of prison life are portrayed in this book and are felt by the reader as they journey with Joy on an amazing walk through the prison and beyond.

Leaders work hard to succeed, but often at the cost of their own souls. Stephen W. Smith helps leaders set aside the life-draining values of power and position and instead explore the life-giving qualities of building character. There is a better way to live than the craziness of our driven world. This is your invitation to journey inside and do the work within your work.
