The Kerdi Shower Book

will never be a

paperback. I suppose I
should never say never,

but it would not be

profitable to print and

distribute the book. It's

too specialized, and it's

too short to be a paper

book. It's only 84 pages.

Also, there would be no

way to print the

perfect baby shower or new-baby gift. With this adorable board book of essential signs, babies and toddlers can easily learn how to communicate their needs, wants, and feelings and even make basic observations with a simple gesture. Studies show that babies who use sign language feel less frustrated, throw fewer tantrums, and often learn

to talk more easily. Just point to a sign in the book, say the word while making the sign, and the baby will soon be signing. Communicating a wet diaper or a hungry belly, asking for help or saying "all done" becomes as easy as waving hello or good-bye. And these are just a few of the thirteen signs inside this small and adorably illustrated
